A Moment with the Director of Missions

Have you ever completed a puzzle only to find there is a piece missing?

My aunt was a puzzle fanatic. There was always a puzzle in the works in their home. Sometimes, when all the pieces were put in their place, she would discover one was missing. She would look high and low hoping it had fallen off the table or was hidden somewhere. It was a great disappointment when she couldn't find it. For one piece to be missing meant the picture was incomplete.

The church is just like that. Paul tells us in **Ephesians 4:16** "... the whole body (the church), joined and knit together by what every joint supplies, according to the effective working by which every part does its share, causes growth of the body for the edifying of itself in love."

Each member of the church, whether local or universal, is like a piece of a puzzle depicting the beautiful body of Christ. When all pieces are in their place, the picture is amazing and it causes the body to grow. But when there are pieces missing, the picture is incomplete. Spiritual growth is then hard to come by.

As a member of the church you are an important piece of the puzzle. Without you, the church will not look or function as she could. Take your place according to how you are gifted and equipped by the Holy Spirit and help the body be all God wants her to be.

VBS is going strong. I am amazed by the decorations, effort, and commitment of so many at each church. It is a lot of work, but it is still and can continue to be one of the greatest evangelistic ministries in our churches.

Continue to pray for our churches that are seeking a pastor.

By the time you read this the SBC Convention in New Orleans will be over. I hope to have some updates from the convention to share in the next newsletter.

The CCBA exists for the churches of the association.

I'm blessed to serve Him alongside of you,
Bro. Jud
