A Visit With Dr. John

Here we are in the holiday season again. It's time for wishing each other a Happy Thanksgiving, a Merry Christmas, and a Happy New Year. I am sure most of you will be busier in the next few weeks than normal. There's always lots to do getting ready. Church groups tend to have more social gatherings. Covid seems to be allowing more social interaction than in the last year and a half.

I pray that your church will experience a true Happy Thanksgiving. I feel most people do not practice Thanksgiving nearly enough. I also pray that your congregation will experience anew the wonder of the Christmas story and understand how important Christ's coming was and is. May those in your group get a new vision regarding sharing Christ with the world!

The Military Support Group will meet November 29 and December 6, 7:00 PM at the Church on Boll Weevil Circle. Please share this information with people you feel may be helped by taking part in this caring group.

Please take note of the evangelism effort slated for March 16- 17. Please put it on your calendar and have your church ready to take part.

The annual Minister/Staff/Spouse Banquet is December 2 at the association office. This is for music leaders and ministerial staff as well as pastors. We would love for you to share this time of fellowship and breaking bread.

As Association Missionary, let me congratulate Church on Boll Weevil Circle upon the completion of their church building. The church started with the unanimous approval of the association's Executive Committee. The members have demonstrated vision, patience, tenacity, and a vibrant missionary outlook. I pray God's blessings upon you.
