## THE GRAPES

Greetings from your Vineyard,

We have just concluded the 20-21 fiscal year. Our prediction that things were starting to get back to normal was accurate. The number of groups using the Vineyard did increase back closer to normal for the second half of the fiscal year. However, the prediction that the groups would have fewer guests also came true. But, at least, we did have a busy summer and a closer to normal fall so far.

The great news is that we know of 59 guests who became followers of Jesus here this year and 207 more who rededicated their lives to Him. We praise God for the harvest and are looking forward to an even greater one next year as we (hopefully) get even closer to normal. Also note worthy is the fact that we were able to finish the budget year \$8,400 in the black. Again, praise God as that is really a miracle!

Let me say thank you to all of you who have really gone above and beyond the call of duty to pray for us and come work with us through this past year. It has been a trying time, but, with your help, we seem to have made it through. Now, we really want the Lord to continue working mightily among our guests. We pray that no one leaves here lost and that all who come will be drawn closer to Him.

By way of advertisement, let me remind everyone that the first Thursday of each month is Vineyard Workday. We anticipate being able to get back on our pre-COVID schedule soon. Please come help us work, if you can. For those of you who have been helping us, November 4<sup>th</sup> is the Vineyard Appreciation Supper at the CCBA office. Please attend if you can. Also note that November 12-13 is our next Boy's Adventure Camp. So, get some boys, beef jerky, spam (or whatever you like), and some tents and come on out for a good time as our leaders try to develop Godly manhood in these youngsters.

I hope all y'all have a great Fall!

We give God glory for working even in difficult times.

Soli Deo Gloria,  
 Steve
