## Events

Every week, the Pine Hills Men's Club competes in a different format to keep it exciting, fun and lively.

Event format varies from week to week and is posted on the Club Schedule.

Unless otherwise noted, every Men's Club event is fully handicapped by applying strokes according to the handicap rating of each hole. For example, a 15 handicap player will receive 1 stroke on each of the 15 most difficult holes according to the scorecard.

## Medal Play

Stroke Play with low net winners in each flight

Competition is among all players in your flight

The number of flights depends on how many members are playing that particular week

## Two Man Best Ball

Best Net Score for each hole is recorded

Competition is among all teams in your flight

The number of flights depends on how many members are playing that particular week

## Stableford Points

Points are earned for each hole, computed by your net score

Played in flights, individually or with partners

Competition is among all teams or players in your flight

Points are assigned as follows Net Double Eagle = 9 points, Net Eagle = 6 points, Net Birdie = 3 points, Net Par = 1 points, Net Bogey = 0 points, Net Double Bogey or higher = -2 points.

## Three Sixes

Combined with any of the above tournaments, this is played as three, six hole events.

Scores or Points are separately totaled for holes 1-6, 7-12, and 13-18.

First and second are awarded in each flight, for each six hole group.

## Red vs. Blue

Two teams (red & blue) are made by matching players mostly by handicap

The team a player is on is picked at random by a roll of a red/blue die.

Match play is used with one point for the front nine holes, one point for the back nine holes, and one point for the overall.

All ties earn 1/2 point per player

The team with the most points will share in the allocated prize fund

In the unlikely event of a tie a roll of the Red/Blue Die will determine the winning team.

Players on the winning team must earn at least 1/2 point to share in the prize fund.

3-point winners on the losing team will receive a consolation prize

This tournament is always setup to be played without handicaps with the maximum handicap differential set by the committee is 3 stroke.

Tie: In the unlikely event of a tie, the following system will be used: least 0 points, if still a tie, most 3 point winners, if still a tie most 2½ point winners, than 2 point, that 1½ and so on.

If it is necessary to make a match outside this range, strokes will be awarded to bring the players within this range

## Red, White and Blue Tees (Played on July 4th Weekend)

Stroke Play with low net winners in each flight

6 holes are played from each of the tee boxes. 6 holes from Red tees, 6 from White tees and 6 from Blue tees.

The player chooses which holes he will play from which tees

Scorers must record which tee each hole is played from
