D15 SPECIAL EDUCATION PROCESS OVERVIEW

- Referral and Evaluation: The student is evaluated to determine if they need special education services.
- IEP Creation: If eligible, an Individualized Education Program (IEP) is developed with input from parents and staff.
- Service Implementation: The student receives services based on their IEP, such as special education support or therapies.
- Monitoring and Review: Progress is regularly checked, and the IEP is reviewed annually to ensure continued support.

Dream-SHSI

- The application for DREAM 2024 for students currently in 7th grade is now closed. Eligible students were contacted by their schools and/or with a mailed letter home with instructions on how to apply.
- We also do not take any additional new students for the fall as attending DREAM summer is required.
- The application process for our next cohort of students, for current 7th graders, will open December 2024. Please check the [website](#) in December for more information.
