District Goals – SY2022-23

GOAL 1

By June 2023, 100% of BKNHS will partner with industries to offer career pathways, authentic work-based learning experiences, and career-connected learning informed by student voice and choice, where students are ignited by rigorous, dynamic hands-on experiences in 21st century classrooms, that support them in the pursuit of their passions and goals.

GOAL 2

By June 2023, all BKNHS will engage students in culturally responsive and sustaining, standards-aligned instruction, integrating highly impactful literacy and SEL practices, whereby 100% of our students will graduate, and improve their college readiness by 10%.

GOAL 3

By June 2023, all BKNHS will create or expand their parent engagement plans to increase family involvement in our schools through collaboration and partnership with community stakeholders, empowering parents to be co-decision-makers and best advocates for their children's learning needs in our reimagined communities.

GOAL 4

By June 2023, the BKNHS district chronic absenteeism rate will decrease by 5%, while overall attendance will increase by 5%, resulting from an effective and supportive attendance management system that involves school partners, structures for data monitoring and analysis, evaluation and assessment, and opportunities for meaningful stakeholder engagement.

Congratulations to our Brooklyn Borough Arts Festival Finalist. We are super proud of those students and their artwork. Families came together for an evening of Paint and Sip. Ms. Fox hosted a Women's Forum with a panel of phenomenal women telling "HER STORY" to celebrate Women's Month. At our annual Wellness Day, as a school, we paused from instruction and took the day to learn and practice new approaches to self-care.
