District Vision

Each student will be provided with a loving, **inclusive learning** community where they can pursue their passions, **achieve academic excellence and economic freedom** by graduating within four years, **college- and career-ready**, highly qualified to collaborate, communicate, **think critically**, and **be creative** to persist as **global citizens**.

District Mission

BKNHS will operationalize the **Pedagogy of Critical Love** by being **data-driven**, **building collective efficacy**, and **using an asset-based lens** to ensure that **each student is provided with loving, inclusive learning communities** where they can **pursue their passions, achieve academic excellence and economic freedom**.

2024-25 District Goals

Goal 1: (Priority 4)

By June 2025, BKNHS will partner with industries to offer authentic work-based learning experiences, enriched by industry and academic partnerships informed by student voice and choice, where students are ignited by rigorous, dynamic hands-on experiences in 21st century, technology-infused classrooms, that inspire them in their pursuit of passions and goals reflecting a 4-point district increase of students participating in career connected pathway, and a 16 point increase of students that have a post-secondary pathway of interest documented in STARS.

Goal 2: (Priorities 1, 2 & 3)

By June 2025, all BKNHS will provide a physically and emotionally safe high-quality student learning experience that is literacy based, culturally responsive and sustaining, includes standards-aligned curricula with formative assessments for progress monitoring, ensures that all students learning needs are met and integrates highly impactful instructional and SEL practices, whereby district incidents and suspensions decrease by 3%, the average district ELA and Algebra 1 Regents scores will increase 3-10 points for all students and college & career readiness increase by 6 points, and overall increases in district graduation rate.

Goal 3: (Priority 5)

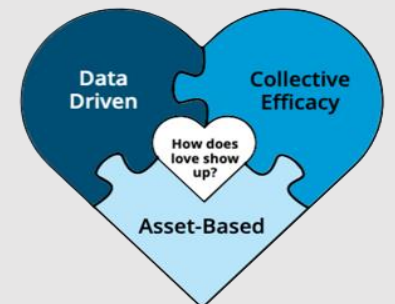

By June 2025, district parent involvement will increase 4% where all BKNHS will create or expand their parent engagement plans to increase family involvement in our schools through collaboration and partnership with community stakeholders, empowering parents to be supporters, monitors, and advocates to sustain and advance student academic outcomes and personal success.

This month's focus:
CELEBRATION and JOY
We LOVE June!

Goal 4: Chronic Absenteeism (Priority CA)

By June 2025, the district chronic absenteeism rate will decrease by 3% , and overall attendance will increase by 2% with an interdisciplinary attendance team that includes school stakeholders (counselors, administrators, school partners); structures for data monitoring and analysis, evaluation and assessment; and opportunities for meaningful stakeholder engagement.

Our first-ever MBK T.H.R.I.V.E. Awards ceremony was a tremendous success! More than 30 young men were honored for their outstanding leadership within their school communities, and we proudly recognized school leaders who have supported MBK in BK North from the very beginning. A heartfelt thank you to Regent Dr. Lester Young for sharing his powerful words after receiving the Trailblazer Award.

Welcome

Project Open Arms is a comprehensive plan to support families seeking [asylum](#) and ensure children are provided a full range of services. This multi-agency plan highlights wraparound services to ensure newcomer families and their children will have access to critical academic, social-emotional, and language-based supports needed to be successful in New York City Public Schools.

The mission of Project Open Arms for NYC Public Schools is to coordinate efforts of all divisions in NYCPS to support our newest New Yorkers successfully.

Basic Needs Supports

Care Closets (click the link to see what they look like!) are created in your child's school to provide basic necessities that your family may need. Such as, school supplies, clothing, non-perishable food, hygiene products and much more. You can work with your parent coordinator to schedule a time to discuss what needs you may have or to visit their care closet!

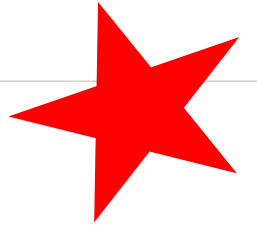

Legal Supports

The Mayor's Office of Immigrant Affairs (MOIA) provides the following information and services to support immigrant New Yorkers navigate the U.S. immigration system and build their lives and futures in New York.

Families can call the City-funded, free, and safe MOIA Immigration Legal Support Hotline at 800-354-0365, or call 311 and say, "Immigration Legal," between 9:00 AM to 6:00 PM, Monday to Friday, to get:

- Answers to immigration policy questions
- Information on how and where to find City-funded, free, and safe immigration legal help
