

PARTICIPATORY BUDGETING: CYCLE 14

for SCHOOLS!

Calling all schools in District 39!

- If your school is in the 39th Council District of New York City you can submit an idea for **Participatory Budgeting**!
- District 39 is represented by Council Member Shahana Hanif and covers the neighborhoods of Park Slope, Gowanus, Borough Park, Carroll Gardens, Cobble Hill, Windsor Terrace and Kensington.
- Participatory Budgeting (PB) is a way for community members to propose and vote on ideas for gov funding
 - Our office has allocated:
 - \$1.5 million in capital project funding (physical infrastructure projects)
 - \$50,000 in expense project funding (programming, equipment, etc.)

What is PB?

- **Participatory Budgeting is a pipeline for ideas.**
 - Every cycle we identify more ideas and can share them upwards to city agencies, even if they do not win they communicate the needs of our neighborhoods.
- **Participatory Budgeting Expands Civic Engagement.**
 - Community members are involved in government all year round not just at an election year!
 - **All people who live in or go to school in District 39 over the age of 11 can VOTE on the projects or submit ideas!**
- **Participatory Budgeting helps build connections between neighbors**
 - Volunteer for a vote site or work with your neighbors to submit an idea! This process is a way to get to know your community better and build relationships that will last.
