- **3K Day of Action**

Friday, February 9th Council Member Hanif's Office is participating in a 3k day of action alongside Speaker Adrienne Adams, Black, Latino, and Asian Caucus (BLAC), Progressive Caucus, advocates, and childcare providers throughout the city.

3-K system is currently facing challenges, but families are in desperate need of affordable, quality childcare. CM Hanif is raising awareness about the city's 3-K programs and the availability of open slots within childcare providers.

Her office has selected high-traffic areas in our district to hand out informative materials in English, Bangla, and Spanish that direct constituents on how to access 3-K services, and **would like to ask if folks at CEC15 are interested in canvassing for 3k on Friday and if so, request that they email me at mperez@council.nyc.gov.**
