

# New Schools Update Community Education Council 15 Community Board 7

New York City  
School Construction Authority  
June 19, 2018

## New Schools Update

The New York City School Construction Authority is committed to bringing new schools to Sunset Park and deepening partnerships in the community.

With the help and advocacy of local elected officials, community boards, the District 15 Superintendent and Community Education Council, parents and neighborhood groups, SCA is making strides to build much needed new schools.

The SCA is happy to be able to provide an update on schools that are in the works. We continue to look for new school sites to add to these as well as developing closer relationships in the neighborhood.
