

MNM Facilitech Housekeeping Services

Clean Spaces. Healthy Workplaces. Productive Teams.

About MNM Facilitech

Founded on **10th May 2025** by Managing Director **Boya Mohan**, MNM Facilitech is a Hyderabad-based multi-service company committed to transforming workplace environments through excellence and innovation.

Our dedicated Housekeeping Division specialises in creating safe, hygienic, and highly productive workplaces that enhance both employee wellbeing and corporate image. We understand that a clean environment is the foundation of business success, and we're dedicated to delivering exceptional results that exceed expectations.

With state-of-the-art equipment, eco-friendly solutions, and a team of expertly trained professionals, we bring a fresh perspective to facility management. Our comprehensive approach ensures every corner of your workplace reflects the professionalism and quality your business deserves.

Our Comprehensive Housekeeping Services

MNM Facilitech offers a complete suite of professional housekeeping solutions designed to meet the diverse needs of modern workplaces. From daily maintenance to specialised deep cleaning, we deliver excellence across every service category.

Office Cleaning & Maintenance

Daily workspace sanitisation and deep cleaning protocols that ensure a pristine environment for your team

Pantry & Restroom Cleaning

Specialised hygiene solutions for high-traffic areas with rigorous sanitisation standards

Carpet & Upholstery Care

Professional fabric maintenance and stain removal using advanced cleaning technology

Floor Polishing & Deep Cleaning

Advanced surface restoration and maintenance for all flooring types

Waste Management & Recycling

Sustainable disposal and environmental compliance solutions

Customised Facility Upkeep

Tailored solutions for unique operational requirements

Why Choose MNM Facilitech?

Our commitment to excellence sets us apart in the facility management industry. We combine cutting-edge technology with personalised service to deliver results that transform your workplace environment.

01

Expertly Trained Professional Staff

Comprehensive training programmes ensure consistent, high-quality service delivery across all touchpoints. Our team undergoes regular skills development and certification to maintain the highest industry standards.

03

Flexible Service Schedules

Adaptable cleaning programmes designed around your operational requirements and preferences. Whether you need daily, weekly, or customised scheduling, we work seamlessly with your business rhythm.

02

Modern Equipment & Eco-Friendly Products

State-of-the-art cleaning technology paired with sustainable, environmentally responsible solutions. We invest in the latest innovations to deliver superior results while protecting our planet.

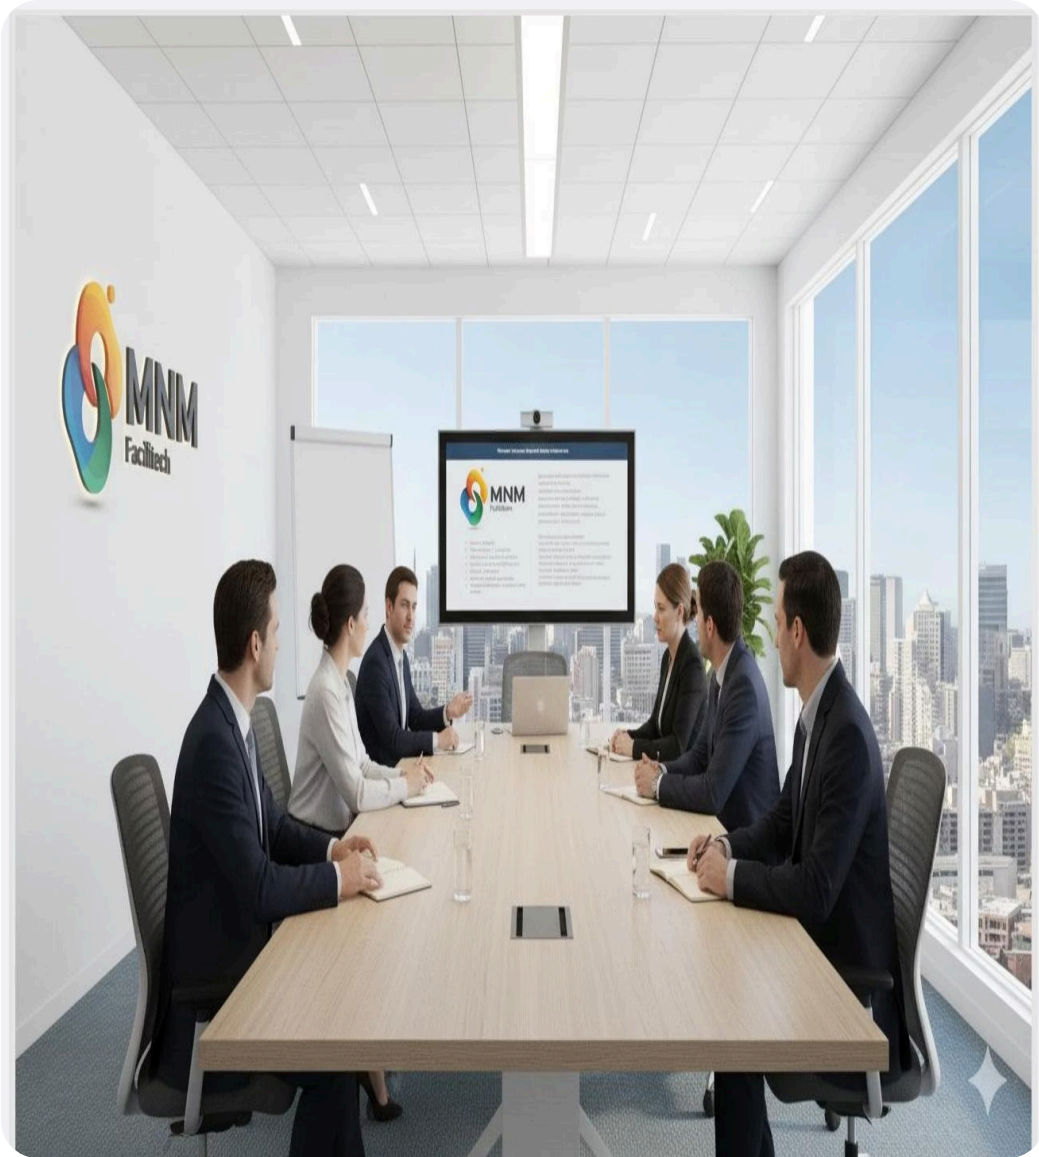

04

Cost-Effective, Reliable Packages

Competitive pricing with unwavering commitment to safety, hygiene, and complete client satisfaction. Our transparent pricing models ensure you receive maximum value without compromising on quality.

Quality & Safety Standards

At MNM Facitech, quality and safety are not just commitments—they're the foundation of everything we do. Our rigorous standards ensure your workplace meets and exceeds all regulatory requirements while providing a safe, healthy environment for your team.

Rigorous Staff Training & Supervision

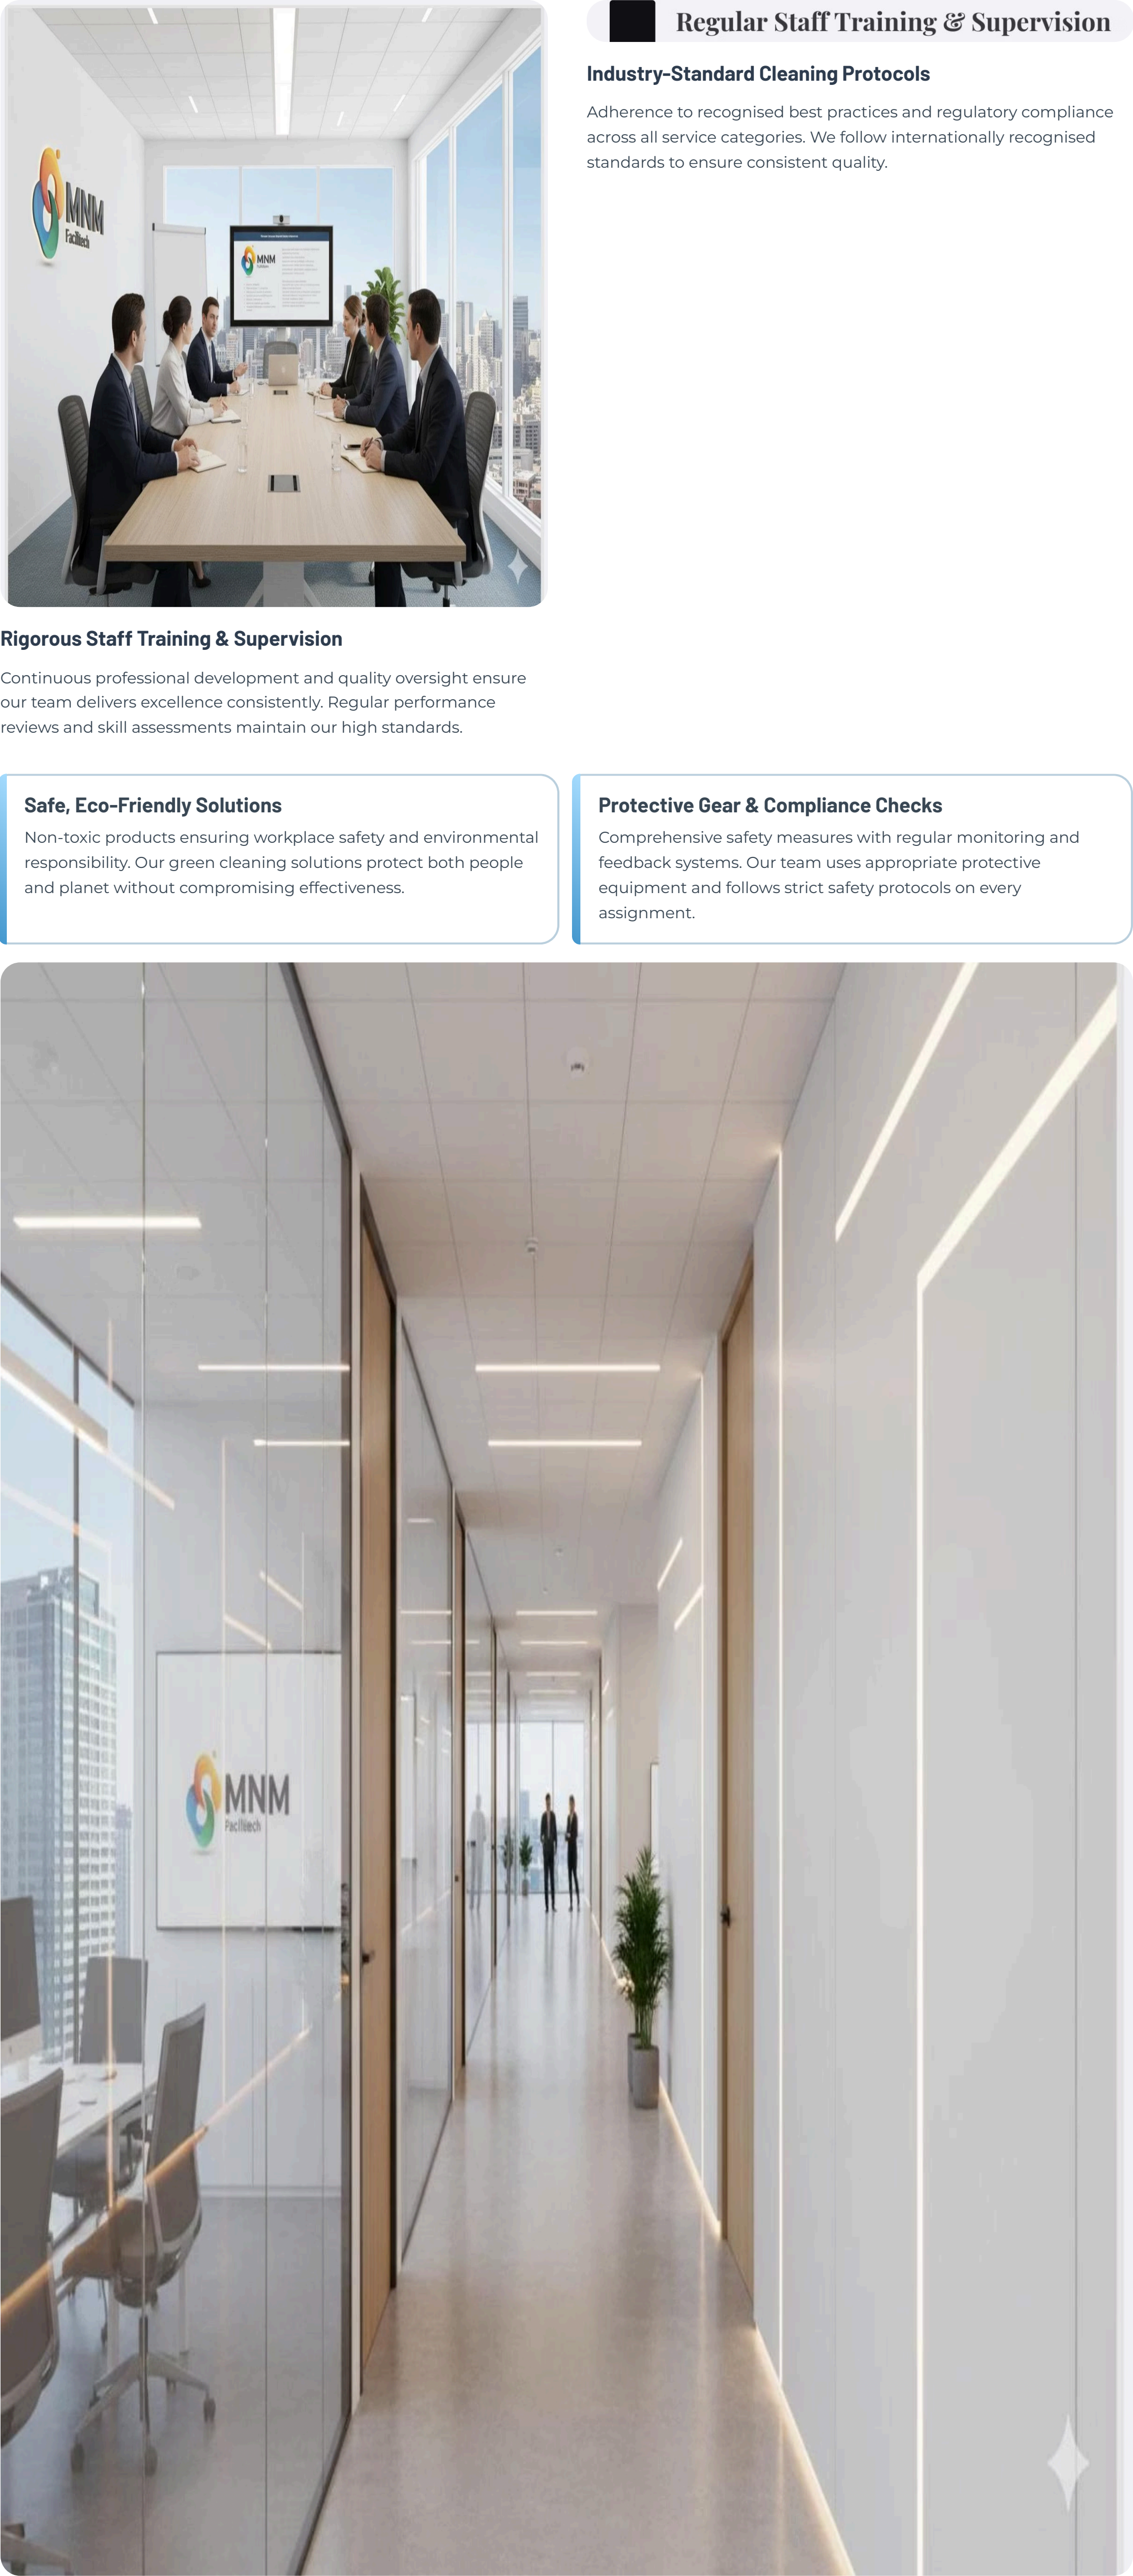

Continuous professional development and quality oversight ensure our team delivers excellence consistently. Regular performance reviews and skill assessments maintain our high standards.

Safe, Eco-Friendly Solutions

Non-toxic products ensuring workplace safety and environmental responsibility. Our green cleaning solutions protect both people and planet without compromising effectiveness.

Protective Gear & Compliance Checks

Comprehensive safety measures with regular monitoring and feedback systems. Our team uses appropriate protective equipment and follows strict safety protocols on every assignment.

Client Benefits

Partnering with MNM Facilitatech delivers measurable improvements across your entire organisation. From enhanced employee wellbeing to improved operational efficiency, our services create lasting value that extends far beyond clean surfaces.

Healthier & More Productive Employees

Clean environments reduce illness, boost morale, and enhance overall workplace productivity and employee satisfaction. Studies show that well-maintained workspaces can reduce sick days by up to 30% while significantly improving focus and performance.

Enhanced Corporate Image

Immaculate facilities create positive first impressions with clients, visitors, and potential business partners. Your workplace is a reflection of your brand—make it count with professional maintenance that showcases your commitment to excellence.

Longer Life for Office Assets

Professional maintenance extends the lifespan of furniture, carpets, and equipment, reducing replacement costs. Our preventive care approach protects your investment and delivers significant long-term savings.

Hassle-Free Facility Management

Comprehensive end-to-end housekeeping solutions allow you to focus entirely on your core business operations. We handle all aspects of facility maintenance so you can concentrate on what matters most—growing your business.

Our Professional Team

At MNM Facilitech, our team is the heart of our service excellence. Composed of highly skilled and dedicated professionals, we are committed to delivering unparalleled cleaning and facility management solutions tailored to your needs.

Expertly Trained

Our staff undergoes rigorous, continuous training in advanced cleaning techniques and safety protocols to ensure superior service delivery.

Detail-Oriented

We pride ourselves on meticulous attention to detail, ensuring every corner of your facility meets the highest standards of cleanliness and hygiene.

Efficient & Reliable

With streamlined processes and a commitment to punctuality, our team provides efficient and consistent service you can always depend on.

Client-Focused

We work closely with clients to understand their specific requirements, offering flexible solutions and personalised care for ultimate satisfaction.

Equipment & Technology

At MNM Facilitech, we leverage the power of cutting-edge cleaning equipment and environmentally conscious products to deliver superior facility management. Our investment in technology ensures efficiency, effectiveness, and sustainability across all our services.

Advanced Cleaning Machinery

Our fleet includes the latest in automated and precision cleaning equipment, ensuring thoroughness and faster turnaround times for every task.

Eco-Friendly Product Line

We exclusively use certified green cleaning solutions that are non-toxic, biodegradable, and safe for both your occupants and the environment.

Innovation & Efficiency

Continuously integrating new technologies, we optimize our operations for maximum efficiency, delivering exceptional results with minimal disruption to your business.

Service Areas & Coverage

MNM Facilitech is proud to extend its comprehensive cleaning and facility management solutions across a diverse range of sectors. Our tailored services ensure optimal hygiene, safety, and operational efficiency for every type of environment.

Corporate & Commercial Offices

From high-rise corporate headquarters to bustling commercial complexes, we ensure a professional and immaculate working environment for your staff and clients.

Healthcare & Medical Facilities

Adhering to stringent health regulations, we provide specialized cleaning services for hospitals, clinics, and medical centers, maintaining sterile and safe conditions.

Educational Institutions

We create clean, safe, and conducive learning environments for schools, universities, and daycare centers, supporting student well-being and focus.

Retail & Hospitality

Enhance customer experience with impeccably maintained retail spaces, hotels, and restaurants. Our services ensure your premises always make a positive impression.

Industrial & Manufacturing

Specialized cleaning for warehouses, factories, and industrial sites, focusing on safety, efficiency, and adherence to operational standards.

Before & After Transformations

Witness the tangible impact of MNM Facilitech's dedicated services. Our commitment to excellence revitalizes spaces, transforming ordinary environments into pristine, productive, and inviting workplaces. See the difference our professional touch makes.

Revitalized Aesthetics

From dull and dusty to vibrant and sparkling. Our deep cleaning protocols bring out the best in your facility, enhancing its visual appeal and creating a welcoming atmosphere.

Improved Hygiene & Safety

Elimination of germs and allergens leads to a healthier environment. We focus on sanitization and meticulous cleaning to reduce health risks and ensure a safe space for everyone.

Optimized Functionality

Beyond cleanliness, we contribute to organized and efficient spaces. Our team helps maintain order, ensuring that every area is not just clean, but also functional and ready for use.

Our Service Excellence in Numbers

Results speak louder than words. Our commitment to excellence is reflected in the measurable impact we deliver to every client, every day.

100%

Client Satisfaction

Unwavering commitment to quality and service excellence

24/7

Support Available

Round-the-clock assistance for urgent requirements

500+

Trained Professionals

Expert staff ready to serve your facility needs

"At MNM Facilitech, we don't just clean spaces—we create environments where businesses thrive and people flourish. Our mission is to be the trusted partner that transforms your workplace into a beacon of professionalism and care."

— Boya Mohan, Managing Director
