

Crofton High Cardinal Club

Senior Recognition Night

In support of our Senior student-athletes, the Cardinal Club will provide up to \$20 per senior athlete to supplement senior recognition activities. We recognize that each team may wish to recognize their seniors in different ways, so we are providing a flexible program that allows each team to organize and conduct the program in a way they feel is most appropriate. Potential ideas are a senior banquet, posters, plaques, etc.

In order to qualify for a Cardinal Club contribution, the team must reach a minimum of 25% membership prior to the last regular game of the season. For teams reaching 75%, an additional contribution of \$10 per senior athlete will be contributed.

For reimbursement, a description of how the funds will be used must be provided via email to croftonhighcardinalclub@gmail.com. The sum of the receipts must exceed the contribution made by the Cardinal Club. Should the receipts equate to an amount less than the contribution the team is eligible for, the contribution will be reduced to the total of the receipts. Once approved, funds will be provided to the team's account.
