

**VOTE AUGUST 9th!**

**Grassroots - Legalize Cannabis Party Endorsed Candidates:**

# **DARRELL PAULSEN**

## **for GOVERNOR**

**ED ENGELMANN for LT. GOVERNOR**

Darrell Paulsen and Ed Engelmann are long-time supporters of Legal Cannabis for both medical and personal use.

Their campaign message is to promote Legal Cannabis laws in Minnesota that we the people want:

1. Right to home-grow.
2. Erase all convictions & records for so-called marijuana "crimes."
3. Respect MN Constitutional provisions.
4. No job discrimination against legal cannabis users.

### ***WHY YOU SHOULD VOTE on AUGUST 9th:***

Vote in the Primary because some fake candidates are trying--*in their own words*--to hijack the Grassroots Party nomination for Governor/Lt. Governor.

Steve Patterson and Matt Huff have never lifted a finger for legal weed and just want to use the party to carry out a personal grudge against the present Governor.

Patterson and Huff exploited a loophole in MN election law to sneak onto the Grassroots ballot. **If they win the primary election on August 9th, that would wreck the party that's been working for legalization since 1986.**

Your vote matters! On Tuesday, August 9th, vote for the people who have fought for you!
