Easter Sunday 2024

We had a wonderful Easter Sunday. We enjoyed a delicious and amazing Easter Breakfast put on by the Youth Group. Thanks to Jonathon and Lydia and all the youth and all their helpers. Thanks to Mary and Sandi for all their hard work with the flower cross, it was beautiful. We had a powerful Easter Worship with 145 people attending. We enjoyed music from both our music groups. Our children and youth were leaders in the service and did great. Thanks to everyone who shared their gifts to make such a beautiful service. We had a wonderful unveiling of Ken's Bench, thanks again to Ron and Doug for all their hard work and for the generosity of this whole community. The Easter Bunny came to visit and Lynn and the CWF put together another amazing Easter Egg Hunt. It was a gorgeous day as we celebrated together the rising of the Son.

Christ is Risen! He is risen indeed!
