

Fathers' Day Family Fun Night

We had a wonderful Father's Day Family Fun Night this past month.

We had 22 attend and enjoyed mini-golf, bowling, corn holes, fishing, the Ken Brock Memorial Speedway, chocolate candy bar making, coffee mug designing, and more as we honored and celebrated all those who show us fatherly love. Huge thanks to Laurie, Chris, Karen, Jonathon, Brogan, Lydia, and Carson for all their hard work and help with the event.

We finished our event enjoying root beer floats made from Dad's Root Beer
