Silverton First Christian Church

Note From Pastor Eric

In "The Best Christmas Pageant Ever" a small town is challenged to step outside their traditions and routines, their boat is rocked as they deal with six challenging kids who help them to experience the true meaning and power of Christmas. We will be showing the movie at our Christmas Craft Fair on December 14, 2025 and we hope you can attend.

So often we rush into Christmas, it becomes a well oiled machine, it comes and it goes with the blink of an eye, we get lost in snowmen, in Santa Claus and presents, we get the same old decorations out, we do the same pageants and sing the same songs, we go through the motions but without truly opening our hearts to hear and experience and feel the story anew. As we take this journey of Advent once again, let it not simply be out of repetition and habit, but let us open our hearts, minds, and souls once more to journey with Mary and Joseph, with Magi and Shepherds. To follow a star, to sing with all our hearts with the angels, to keep pressing on even when we are tired or uncertain, or afraid. To kneel in the cold damp hay in adoration and awe of our Savior born and laid in a manger.

In the face of hardship and struggles, poverty and pain, fears and doubts, may we like Mary, a teenage girl from Nazareth, and like Joseph, a poor carpenter from Bethlehem, dare to hope. May we refuse to let go of hope, choosing to trust our lives in the hands of our God even when the journey is hard and scary and uncertain, even when faced with empires and oppression and leaders like Herod, and Caiaphus, and Caesar, may we dare to hold onto hope.

Note From Pastor Eric Continued:

In a world too often torn apart by violence and hatred, where an eye for eye seems to be the law of the land, may we be the peacemakers, the children of God. In the chaos and confusion, may we find our center in the one whose peace passes all understanding, the one who calms us in the storm, the gentle whisper that stills our restless souls.

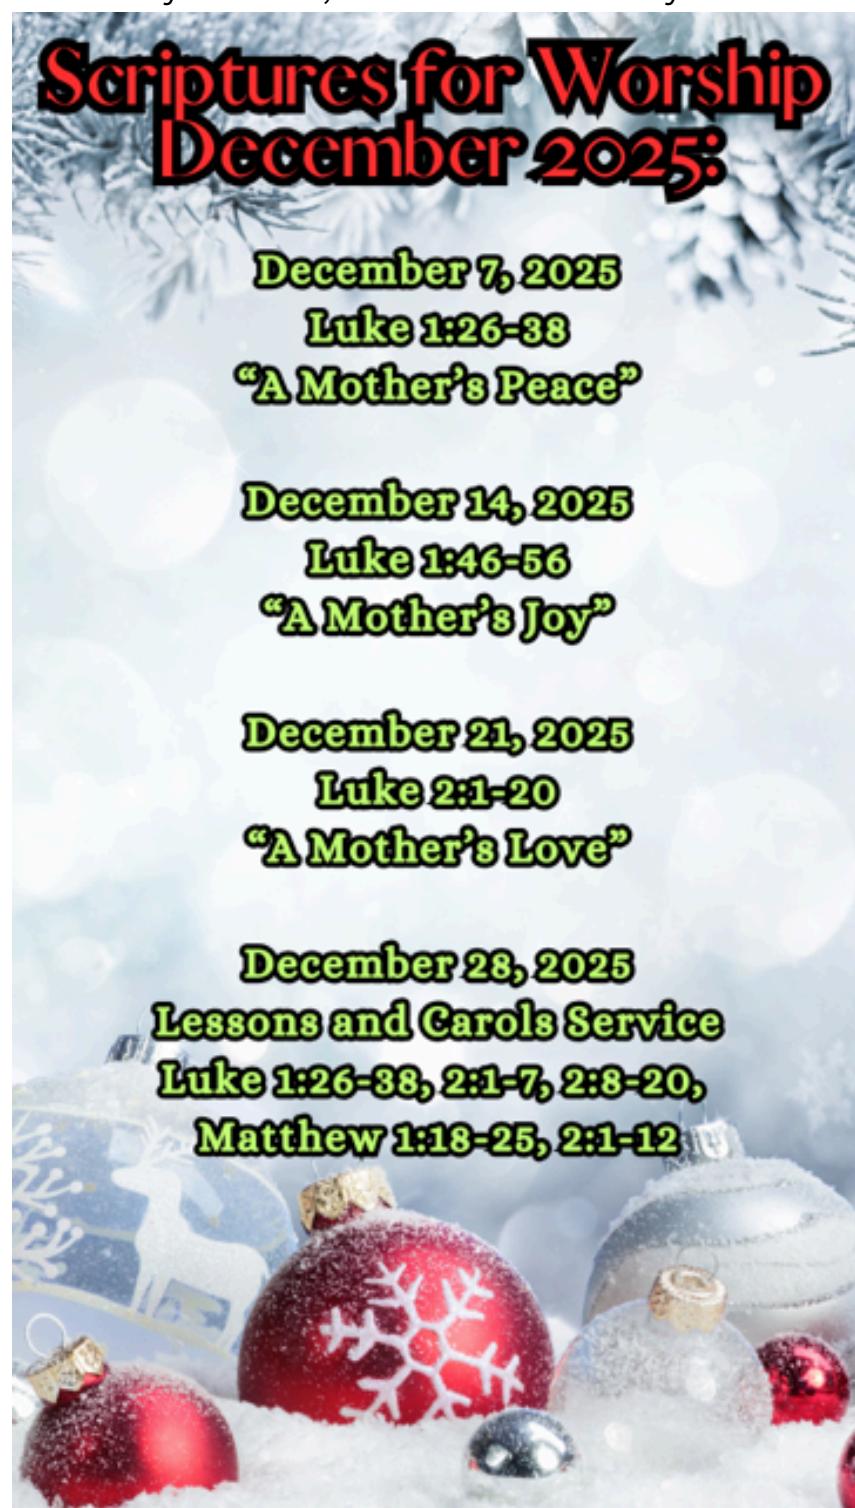

In the busyness of life let us experience and bear witness to God's little moments of great joy placed all around us. May we be present and open to that warmth that fills our hearts and calls us to sing "Glory In Excelsis Deo" with all our souls. As stars shine, as the heavens sing, as a baby is born, let us see the holy all around us.

The glimpses of God's love and glory singing over us. For it is those little moments, those holy moments, that give us the courage and strength to press on even on the cold damp nights where it seems there is no room for us.

As we once more come into that stable, as we once more witness the power of God's birth, as we once more hold that tiny baby and are held in the grip of His grace, may our heart be touched anew, may we allow ourselves to feel our Lord's awesome love as it touches us and washes over us, and encourages us, and calls us back from that stable into all the world to bring and be our God's disciples, the children of love and light.

Let this year be the best Christmas ever! In fact let every Christmas be the best Christmas ever, as we never stop journeying with our Jesus, striving to bring His hope, peace, joy, and love into all the world.

Love,
Pastor Eric

The youth have been hard at work the past month helping out around church. They decided as a group to donate 200\$ in candy as their October mission & had fun dressing up and handing out candy at our annual Trunk-or-Treat. The youth had fun working together to shop for our church mission for November, Operation Christmas Child. They donated 350\$ in items for these shoeboxes and learned how they can work together to give back to their church. We are now moving into the holiday season, and this was a great way to kick off the season of giving.

The youth are currently working on their Christmas pageant, and they are excited to share this with their fellow church members. This years script is called "A Christmas Surprise" and there will be plenty of surprises included in the play. We invite all of you to join us on December 14th during coffee hour, in retelling the story of Jesus's birth through the scenes in the play. The story will be told from some unexpected characters, and the point of view of people who were there on that miraculous day, long ago.

Over the past few months we've watched new friendships and memories being made in youth groups, family game nights, and Sunday school. We look forward to being able to witness more of these beautiful moments in the upcoming months.

Upcoming:

12/7 - Sunday School 10:30 AM - 11:15 AM
Youth Group/Pageant Practice (5 PM - 7 PM)

12/14 - Christmas Pageant (during coffee hour)

12/21 - Sunday School 10:30 AM - 11:15 AM
