

Do You Have a High School, College, Graduate School, or Other Program Graduate in Your Family this year?

Let Pastor Eric or the Church Office Know

Graduate Recognition Sunday

We will once again be honoring our graduates on Sunday, June 1, 2025 in each service and with a special service between the services. Do you or your family have someone graduating from High School, College, Graduate School, a Trade School, or other program? Please let us know as we would love to honor them. Please get the name, a photo, and information about your graduate to Pastor Eric or the church office by May 22, 2025.

We look forward to honoring and celebrating our graduates together!
