**2025 TEAM SUPPORT INFORMATION**

# **GREETINGS ELDORADO FOOTBALL SUPPORTERS,**

## **The Eldorado High School Football Program needs you!**

These are exciting times at Eldorado. The campus is starting to gain school spirit. The basketball court has a brand new floor, the cafeteria is getting a new expansion, our locker room is getting a fresh new look. The football program is now coming off back-to-back-to-back-to-back playoff appearances and is starting to make its mark in the 4A division of competition in Nevada. In fact, last season we were 1 game away from making an appearance in the 4A State Finals. With our community behind us, we will exceed the accomplishments of this past season both on the field and off and help us take advantage of the football stars aligning for Eldorado!

On behalf of the Eldorado High School football program, I am personally asking for your support. The goal, with your help, is to create a culture of achievement and success. Recognizing that you, our community, has already made a tremendous impact on our program, enhancing our weight room facilities, upgrading player gear, and providing invaluable experiences, such as attending your practices and camps. Your support has been instrumental in elevating Eldorado football to where we are today, and we are truly grateful.

As with many high school extracurricular activities, budget constraints significantly impact the football program. On behalf of the Eldorado High School football program, I am personally asking for your support. The Eldorado Support program allows us to solicit donations that will go a long way toward establishing a strong athletic program that includes the safest equipment for the players, improved athletic facilities, specialized training, and academic support. The goal, with your help, is to create a culture of achievement and success. Help from organizations like yours has already helped dramatically improve the weight room facilities, the nutrition the players receive, the experiences they have gotten like going to camp at Boise State and Western Colorado University, and hopefully much more as there is still plenty of work to do.

Thank you for your time and consideration.

Sincerely,

**Darryl Tootle, Head Football Coach**
