Social Recreation

The Clubhouse has recreational and social programs during evenings and on weekends. Holidays are celebrated on the actual day they are observed.

Traverse House Accreditation 2025!

In December, we had the pleasure of hosting the Clubhouse International Accreditation team which included Chrissy from Pittsburg, Pennsylvania and Maureen from Fort Wayne, Indiana.

Their visit lasted 3 days and our Clubhouse colleagues did a great job of welcoming them into our space, engaging them in our work-ordered day, and showing the team all about our employment, education, housing, social, and wellness programs.

At the end of their visit, they provided us with a report outlining all of our notable strengths especially highlighting the warm relationships between members, the autonomy that colleagues demonstrated in choosing where they want to work and ownership over tasks.

We were also provided guidance on 3 recommendations including; diversifying our transitional employment program as we continue to build new community partnerships, allowing all those with mental illness to have access to the Clubhouse regardless of insurance, and allowing all former members to return to the Clubhouse regardless of insurance. We will be working with our auspice agency to return to open doors and make our Clubhouse compliant with all of our standards!!

Christmas Baskets

Each year during the holidays, members decided on a gift to present to each active member. This year, members decided on themed gift baskets. Members chose from five different basket themes and everyone pitched in to help plan, shop for, and put together baskets for members.

Community Awareness

Employment Readiness

Pictured above: members and staff participating in one of our weekly employment meetings

Employment is one of the main pillars of the Clubhouse model. Every week we have an Employment Readiness meeting where members can make action plans and steps toward their individual employment goals.

Members also participate in a monthly employment meeting where they help brainstorm and take action on our employment programs as a whole, including find new community employers to work with.

Giving Back

Employment

What does having employment mean to you? **Security**

How has Clubhouse helped you reach your employment goals? **They help motivate me and give me the drive to do it.**

What advice would you give other members wanting to start their employment journey? **That we can do it!**

What does having employment mean to you? **A feeling of purpose to my days and financial assistance.**

How has Clubhouse helped you reach your employment goals? **By offering the TE position it is a supportive way to enter back into the workforce.**

What advice would you give other members wanting to start their employment journey? **Don't be afraid to check into how working with affect your benefits. A TE or SE is a great way to enter back into the workforce.**
