

Forever After Blooms

Custom Artificial Wedding Floral and Decor

Our floral bouquets and arrangements are created with silk, real touch and/or foam flowers. Items can be purchased, rented, or a combination of both!

(The bridal toss bouquet, boutonnieres, wrist/shoulder corsage and cake decorations are purchase only items.)

Benefits of Artificial Flowers for Your Wedding

Artificial flowers are a less expensive alternative to real flowers.

I use only high-quality materials that maintain their shape and color. Available any time throughout the year, not just in a particular season.

No "out of season" costs.

Most people won't even notice that they are not real!

Allergan free!

Flowers are available in every color!

Opportunity to view the final products before your special day!

They look great long after your wedding day!
