Electrical Supplies

↳ Supply of wide range of oil immersed distribution Transformers.

Manufactured by * **ABB**

↳ Supply of wide range of a Dry distribution Transformers.

Manufactured by * **ABB**

↳ Supply of special application transformers.

↳ Supply of RMU 12 KV & 24 KV (**AIR, SF6**).

Manufacturers * **ABB**

* **TEPCO**

* **TIPA**

* **MEMICO**

* **Engineering for electromechanical works**

↳ Supply of wide range of low Voltage Panels (Type Tested or Local Sheet Metal).

↳ Supply of Medium Voltage Load break switch (**NAL, NALF**).

↳ Supply of Complete Kiosks with Transformers (**Oil type & Dry type**).

↳ Supply of Medium voltage switch gear.

Manufacturers ***ABB**

Services

↳ Services for wide range of oil & dry type transformers, providing necessary spare parts & required site tests.

↳ Services, testing & supplying of spare parts for MV switchgears (**AIR, Vacuum & SF6**).

↳ Service of circuit breaker for LV & MV boards.

↳ Providing of wide range of thermograph reporting services.

↳ Execute all of routine & urgent services of distribution transformers, LV & MV panels.

↳ Applying earth resistance tests.

Installation

↳ Install of MV equipment in (RMU & Switchgear **SF6** , **AIR**).

↳ Install of oil & Dry type of transformers.

↳ Install of Low Voltage panels and Spare Parts.

General Industrial Supplies

All necessary production supplies (Material + supplies) such as:

Metal works.

Copper bars.

Hands tools.

Graving and writing machines on metals and other wide range of surfaces.

Electrical cables accessories (Glands – tie raps – lugs – terminals).

Bolts – nuts – etc.

Insulation materials.

Pneumatic and steam tools.

Wide range of valves.

Supply of special application production supplies.

Wide range of M.V & L.V cables & special applications cables.

OHS, PPE tools.

Generators.

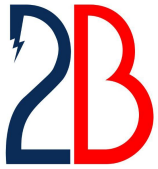

Industrial epoxy painting.

A brief of some works that successfully implemented (Service)

- **1- ABB Transformers Egypt:**

- Thermograph reporting for ABB transformers Egypt factory Electrical equipment.
- Service and replacement of Bucholz relay in Damietta port.

- **2- ABB Automation:**

- Detecting malfunction & replacement of tap changer for 2000 KVA transformer & doing a necessary tests & re-energizing transformer in site (Novartis pharma Egypt).
- Modifying of LV cables for Dry transformer 1500 KVA & applying overall services at Carrefour Maadi.
- Supply all types of gaskets & bushings for oil type transformers services.
- Supply spare parts for MV LBS.
- Supply temperature control devices & temperature sensors for dry transformers.
- Supply spare parts (Mountain View - Danone).
- Supply buchloz relay.
- Service of oil transformer (Sugar factory Ain Sokhna).
- Service & repair of oil type transformer 2500 KVA, 11 KV

- **3- EL Sewedy Electrical solutions (Zaki elsewedy):**

- Commissioning of 18 dry type transformers before re-energizing.
- Change of tapchanger 120 A for transformer 2500 KVA, (ABB) Project (Hacienda Bay north cost).
- Replacement of L.V bushings copper axes for transformer 1500 KVA (Golf Project).
- Replace MV bushings gaskets for transformers with different rating (Hacienda Bay north cost).
- Applying Thermograph report & repairing of high temperatures on LV terminals for transformer 3000 KVA for (Eastern company S.A.E) for tobacco.
- Change MV bushing gaskets & filling transformer with oil transformer.
- Supply LV bushing copper flanges.

- **4- National Authority for Tunnels Line 3 (Underground Metro L3P3):**

- Rehabilitation for transformer 800 KVA (Schneider).
- Testing & commissioning of oil distribution transformer.

- **5- NASR CO. FOR CIVIL WORKS (N.C.C.W):**

- Charge of 18 MV LBS with SF6 gas.

- **6- The Arab Contractors:**

- Service of Cairo stadium distribution transformers.
- Service of ABB transformer 500 KVA & commissioning with canal electricity Co.

- **7- Accomplishment the electrical equipment of the 5th neighborhood (New Beni Suef):**

- Doing overall service for 76 kiosks including the following:
 - Maintenance, testing of transformers and repair all damages.
 - Service all L.V circuit breakers.
 - Maintenance & repair of MV LBS & change of necessary spare parts.
 - Deliver & commission of 76 kiosks to Electrical authority Company to Re-energizing.
- Execute all the necessary tests for MV Switchgear 20 cell as follows:
 - Test of all current & voltage transformers in switchgear.
 - Test of all measurement devices.
 - Test protection devices of switchgear 18 cell.
 - Review SF6 gas for circuit breaker of all switchgear circuit breakers.
 - Test & review all control units of switchgear.

- **8- Misr Italia Group:**

- Applying of severe service and changing oil for distribution transformers (Mousa cost Ras sidr).
- Repair of LV panel.

- **9- Power Line:**

- Maintenance & repair oil leakage for transformer 1500 KVA (Bahariya Oasis).
- Maintenance & repair oil leakage for transformer 2000 KVA (Gas filling station in Assiut).
- Maintenance & testing of transformers at Alexandria Mineral Oils Co. (AMOC) as follow:
 - For transformers (4400-1500-1000-500) KVA (turns ratio-winding resistance-control circuit for protection devices-oil break down test-acidity ratio test-gas dissolved test) & repairing of rusted parts
- Supply of Buchloz relay & filling transformer with 20 liter oil transformer.
- Supply spare parts.
- Test Russian transformer 100 KVA.

- **10- Egypt Expo & Convention Authority (EECA):**

- Annual service contract for 22 oil type transformers 11 KV.

- **11- NAMAA:**

- Execute required service for MV switchgear (6 cells & 9 cells).
- Maintenance & repair of oil type transformer 1500 KVA.
- Modify for switchgear control wiring circuits at the administrative building of the company.

- **12- ATEC Egypt:**

- Maintenance, repair & test for oil type transformer 1000 KVA after being robbed.
- Supply spare parts.

- **13- SIAC:**

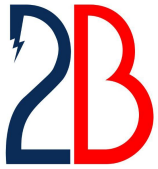

- Maintenance, test & energizing for dry type transformer 1000 KVA after an accident occurred.

- **14- National Steel Fabrication:**

- Maintenance & test 4 transformers 2000 KVA.
- Supply 24 barrel of oil transformer for transformer 2000 KVA.

- **15- Cedar Glass:**

- Maintenance for trip contact unit for CB 3200 A (ABB) in Sadat.

- **16- National Postal Authority:**
 - Maintenance of MV switchgear at the authority building.

- **17- XD EGEMAC:**
 - Oil flushing process for the oil pumping system.

- **18- Sewage Treatment Plant (Port Said):**
 - Thermal relays Test for submersible pumps and deliver relays technical report.

- **19- Pan Gulf Plastics:**
 - Repair LV CB 2000 A (ABB).

- **20- Wave Glass Co.:**
 - Maintenance, test & re-energizing for dry type transformer 3150 KVA, 20 KV.

- **21- Egyptian Centers for Real Estate Development:**
 - Supply & programming temperature control devices for dry transformers (6 October mall).

- **22- Duravit:**

- Maintenance & change gaskets for transformer 1000 KVA and doing necessary tests.
- Maintenance & repair oil leakage of tap changer for oil type transformer 2000 KVA.
- Service of MV switchgear 6 cells.

- **23- TAQA Arabia:**

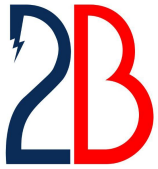

- Test of voltage transformers for switchgear (Cairo Festival).

- **24- Advanced Consulting for Technologies (ACT):**

- Thermograph camera rental.

- **25- Arab Technology for Electrical Contracting (ATEC):**

- Maintenance, testing & energizing for dry type transformer 1500 KVA after an accident occurred. (Ismailia)
- Test oil type transformer 1000 KVA, 22 KV.
- Supply enclosure for dry type transformers (1000, 1500) KVA, 22 KV.
- Supply enclosure for dry type transformer 1500 KVA, 10.5 KV.

- **26- GBM Co.:**
 - Maintenance for PFC panel (company factory).

- **27- MR Electrical Contracting:**
 - Service of oil transformers 1500 KVA (the 5th settlement in Cairo).

- **28- Egyptian American Co. for Investment & Agriculture Development:**
 - Maintenance, test & energizing for transformer 300 (East Owainat Co.).

- **29- ELEJECT:**
 - Maintenance and repair for MV LBS (Borg El Arab).

- **30- Mufaddal for Food Industries:**
 - Maintenance for 3 transformers 1500 KVA, 22 KV (ABB) & execution welding works for transformer and re-energizing after service.
 - Maintenance for MV switchgear 6 cells.

- **31- Technical Power:**
 - Renew & complete service for 2 transformers 300 KVA (water lifting station in Luxor).
 - Maintenance for transformer 200 KVA.

- **32- Horas For Supplies:**

- Maintenance & welding for transformer 1600 KVA.

- **33- Ibn Sina Pharma:**

- Supply LBS NALF.

- **34- Smart Power:**

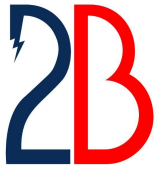

- Annual service works (Sheraton Montazah Hotel).
- Repair of temperature for dry type transformer (Faiyum).

- **35- Siemens:**

- Rent of oil break down tester up to 80 KV.
- Supply & change silica gel 4 KG.
- Supply oil for transformers.

- **36- Novomet:**

- Service of 4 oil type transformers (102, 250, 300, 426) KVA.

- **37- P.P.S Co.:**
 - Supply of insulation 130 m 12 KV.

- **38- Dam Power Co.:**
 - Supply spare parts.
 - Oil break down test.
 - Reset temperature controller T154
 - Rent of Oil break down device.

- **39- El Marwa for supplies & technical services:**
 - MV cable test (Ain Sokhna).

- **40- Damietta Container & Cargo Handling Co.:**
 - Test for transformer 1600 KVA.

- **41- Marmo Royal (Badr City):**
 - Supply cable carriers.
 - Maintenance for MDP.
 - Maintenance for power factor correction panel.

- **42- BEECO:**

- Maintenance for oil type transformer and RMU.

- **43- TIBA for Contracting & Touristic Investment Co.:**

- Service of all MV (transformers – switchgears – kiosks - RMU) for (Telal El Alamein).
- Supply spare parts.
- Service of 10 dry type transformers & change temperature sensors damaged (Telal).
- Supply & service of LV CB (Telal El Sokhna).
- Test & change oil transformer for transformer ABB (New Cairo).
- Routine service for MV switchgear 6 cells unigear.

- **44- ENOVA:**

- Supply PT100 for dry type transformer.
- Maintenance & inspection for MV switchgear.

- **45- Chloride:**

- Service of 2 transformers 2000 KVA, 11 KV.

- **46- Egyptian Starch & Glucose Manufacturing Co.:**
 - Maintenance for MV switchgear & change damages spare parts.

- **47- CID Pharma:**
 - Maintenance for 3 transformers 2000 KVA.
 - Annual maintenance contract for MV switchgear 7 cells.
 - Supply spare parts.

- **48- Egyptian Company for Sports Equipment & industry:**
 - Maintenance for oil type transformer 1000 KVA.

- **49- Egypt Aluminum:**
 - Maintenance for oil type transformer 300 KVA.

- **50- Arab Co. for projects and urban development (Talaat Mustafa & partners):**
 - Maintenance & test for oil type transformer 1000 KVA (AI Rehab Club).
 - Maintenance for Kiosk (AI Rehab Club).
 - Maintenance contract for MV switchgears, RMU & LV panels (AI Rehab Club).
 - Change tap changer of 3 dry type transformers (AI Rehab Club).
 - Supply spare parts (AI Rehab Club).

- **51- Water work station (6 October):**

- Test of 2 transformers (2000, 3000) KVA.

- **52- The Holding Company for Drinking Water and Sanitation(Assuit & New Valley):**

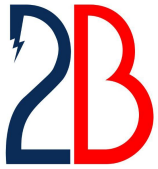

- Supply spare parts for oil transformer.

- **53- Power Technology for Contracting:**

- Supply spare parts.
- Supply oil transformers.

- **54- Club Magic Life (Sharm):**

- Service & change oil transformer for transformer 1000 KVA.
- Service of LV panel.
- Supply selector VA.
- Supply ammeter.
- Service of ATS panel.
- Supply plastic arm for RMU.
- Service of PLC device.

- Supply Qux switch for Emax CB.
- Modify of automatic control circuit from PLC to classic control.
 - **55- Lord:**
 - Test for oil type transformer.
 - **56- Alexmar Co.:**
 - Supply spare parts for MV switchgear.
 - **57- Gold Construction Co.:**
 - Test of transformer.
 - **58- Electro Power for Electrical Works & Supplies:**
 - Supply current transformer 75\5\5.
 - **59- Hertz for Electrical Services:**
 - Rental for measuring devices.
 - Service of oil transformer.

- **60- Schneider:**

- Supply dry type transformer sensor PT100.
- Service of oil transformer 160 KVA 22 KV

- **61- Al Doha for Mining:**

- Supply meter type MK6N.

- **62- Evertrust Electrical Contracting:**

- Change tap changer for dry type transformer 500 KVA.

- **63- Egyptian Holding Company for Silos & Storage:**

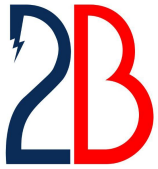

- Supply silica gel.
- Supply buchloz relay.
- Service of LV circuit breaker 2000 A .

- **64- Smart Business:**

- Oil breakdown test.

- **65- El Mohandes:**

- Maintenance for oil type transformer 5·0 KVA (Kafr Tuhurmis).

- **66- Al Hamd Contracting Co.:**
 - Repair coil for transformer 1000 KVA.
 - Test of oil type transformer.

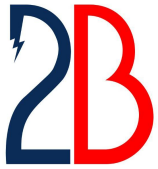

- **67- Orouba AgriFoods Processing:**
 - Maintenance for oil type transformer 1500 KVA.

- **68- Power Egypt:**
 - Service of MV CB.

- **69- Automation Control System:**
 - Supply oil transformers.

- **70- Advanced Technology Services (ATS):**
 - Supply oil transformers barrel for oil transformer.

- **71- Red Sea Ports Authority:**
 - Maintenance for MV switchgear 8 cells.

- **72- Red Sea Reconstruction Authority (جهاز ترميم البحر الأحمر):**
 - Supply silica gel breather.

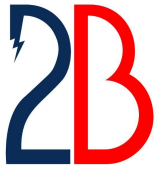

- **73- Hayah International Academy:**
 - Maintenance for MV switchgear 6 cells & (3+1) with measuring.

- **74- Civil aviation club Aero sport:**
 - Supply Arc horn for oil transformer.

- **75- Swanco (Katameya):**
 - Supply oil type transformer with 50 liter oil transformers.

- **76- Cooperative Association for construction and housing for employees of the Public Transport Authority (جمعية إسكان العاملين بهيئة النقل العام):**
 - Test of 3 oil type transformers 1000 KVA.

- **77- Reef Oasis Beach Resort:**
 - Supply silica gel for electricity transformer.
 - Supply oil for electricity transformer.

- **78- Moon Land Village:**
 - Repair & test of transformer 1000 KVA under supervision of ABB.

- **79- Diamora & Remas North Coast:**
 - Service of all MV (Transformers – Kiosks) for the village.

- **80- Diamond Beach Village (North Coast):**
 - Supply oil transformers barrel.

- **81- Nice 1 (North Coast):**
 - Service of transformer 300 KVA, 22 KV.
 - Supply of LBS NAL & NALF 24 KV for (3+1) panel.

- **82- Nice 2 (North Coast):**
 - Service of transformer 500 KVA, 22 KV.
 - Supply of LBS NAL & NALF 24 KV for (3+1) panel.

- **83- Nice 4 (North Coast):**
 - Service of transformer 500 KVA, 22 KV.

- **84- Marina Sunshine:**
 - Service of MV switchgear 3 cells.

- **85- Aquamarine Resort:**
 - Supply of spare parts for oil type transformer.

- **86- Hacienda Bay:**
 - Supply spare parts for oil type transformer.
 - Test of oil transformer.

- **87- BARON Palace (Sahl Hasheesh):**
 - Service of 5 transformers 2000 KVA ABB.
 - Service of transformer 1000 KVA Elmaco.
 - Supply silica gel breather.

- **88- Almaza Bay Jaz Almaza Beach Resort (Marsa Matrouh):**
 - Supply oil transformers.

- **89- Conserv Co.:**
 - Supply spare parts for oil type transformer.

- **90- Madinaty for Electromechanical Power:**
 - Supply of heaters.
 - Annual service contract of all MV equipment (transformers – switchgears – kiosks - RMU).

- **91- Dive Grand (Sharm):**
 - Oil breakdown test.

- **92- Red Sea Ports Authority (Nuweibaa port):**
 - Service of MV switchgear 10 cells.

- **93- Carrefour Sherouk:**
 - Test of transformer 630 KVA.
 - Repairs for oil transformers.
 - Supply silica gel.

- **94- Ganzouri Specialized Hospital:**
 - Adjust temperature controller T154

- **95- Al Qoseir city:**
 - Changing M.V insulator 20 NF.

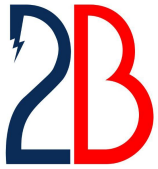

- **96- Entisar for plastic and chemical industries (EGY Plast):**
 - Testing of dry transformer.

- **97- APC Co.:**
 - Rental of oil break down testing device.

- **98- Brother Co.:**
 - Service of transformer 1000 KVA.

- **99- Falcon Co.:**
 - Supply gaskets for transformer 500 KVA.

- **100- Techno Master:**
 - Rent oil tester.

- **101- Al-Etehad Co.:**
 - Service of oil transformers.

- **102- Delta Carbon Gases:**
 - Rehabilitation for all MV equipment (transformers – switchgears – fire system).

- **103- Velocity Apparelz Co. (Ismalia):**
 - Supply oil transformers.

- **104- Gila Al Tawakol Electrical Co.:**
 - Service of switchgear at General Motors factory.

- **105- The United Bank:**
 - Service of oil transformer 1000 KVA, 11 KV

A brief of some works that successfully implemented (Installations)

- **1- ELSewedy Electrical solutions (Zaki elsewedy):**
 - Installation of 2 buchholz relay.

- **2- Power Line:**
 - Install buchholz relay.

- **3- National Steel Fabrication:**
 - Install of 24 barrel oil transformer for 4 transformers 2000 KVA.
 - Install of alarms on the thermometers of the transformers.

- **4- Egyptian Centers for Real Estate Development:**
 - Install of temperature control devices for dry transformers (6 October mall).

- **5- Arab Technology for Electrical Contracting (ATEC):**

- Install enclosure for dry type transformers (1000,1500) KVA, 22 KV.
- Install enclosure for dry type transformer 1500 KVA, 10.5 KV.

- **6- GBM Co.:**

- Install of PFC Panel (company factory).

- **7- Advanced Technology Services (ATS):**

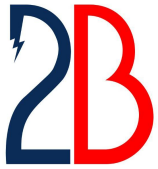

- Install of 2 oil type transformers 1000 KVA, 11 KV.
- Install of 2 oil type transformers 1500 KVA, 11 KV.
- Install of 2 RMU (2+1) 12 KV.
- Install of 2 RMU (3+1) 12 KV.

- **8- Damietta Container & Cargo Handling Co.:**

- Install of transformer 1600 KVA.

- **9- Marmo Royal (Badr City):**

- Install of cable carriers.

- **10- TIBA for Contracting & Touristic Investment:**

- Install of LV CB & execution incoming and outgoing busbarat (Telal El Sokhna).

- **11- ENOVA:**

- Install PT100 for dry type transformer.

- **12- Club Magic Life (Sharm):**

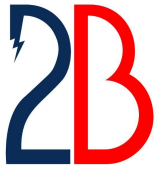

- Install of motor for CB (ABB).
- Install Ammeter.
- Install selector.
- Install plastic arm for RMU.
- Install Qux switch for Emax CB.

- **13- United Food Co.:**

- Install of transformer & RMU.

- **14- Al Doha for Mining:**

- Install of meter type MK6N.

- **15- Diamond Beach Village (North Coast):**
 - Install of 4 RMU.

- **16- Nice 1 (North Coast):**
 - Install of LBS NAL & NALF 24 KV for (3+1) panel.

- **17- Nice 2 (North Coast):**
 - Install of LBS NAL & NALF 24 KV for (3+1) panel.

- **18- Madinaty for Electromechanical Power:**
 - Install of heaters.

- **19- Euro Industrial Engineering:**
 - Install of oil type transformer.
 - Install of RMU.
 - Install of LV panel.

- **20- Arab Co. for projects and urban development (Talaat Mustafa & partners):**
 - Install of spare parts (Al Rehab Club).

- **21- Carrefour Sherouk:**
 - Install silica gel.

- **22- Electrum for Engineering & Trading Co.:**
 - Install of measuring cell for RMU.

- **23- EMAACO:**
 - Install of control for switch gear 7 cells.

- **24- BARON Palace (Sahl Hasheesh):**
 - Install of silica gel breather.

- **25- MR Electrical Contracting:**
 - Install of L.V panel.

- **26- East Delta Contracting Co. :**
 - Install of Dry type transformer 1600 KVA, 11 KV & RMU SF6 (2+3) 12 KV

- **27- El-Sham Tex:**
 - Install of dry transformer 1000 KVA, 11 KV & RMU (2+1) 12 KV

A brief of some works that implemented (General Industrial Supplies)

- **1- ABB Transformers:**

- Supply & execute of industrial epoxy painting.
- Supply of Name plate and graving & writing machines on metals.
- Supply monitor 49 inches.
- Supply of Bolts – nuts – etc.
- Supply Trip unit for ACB

- **2- Smart Business:**

- Supply of shield roll.

- **3- MEMICO:**

- Supply of washers 8 mm.

- **4- Velocity Apparelz Co.:**

- Supply CB & lugs.

- **5- Al Motahda for Contracting & Electromechanical Supplies:**

- Supply Fan TG 360 for dry transformer.

- **6- Misr Italia:**

- Supply fuse 80 A
- Supply air bole-mounted isolator 22 KV

- **7- Global for Energy:**

- Supply of heater 200 W 220 v
- Supply thermo copper wire 2*2 mm
- Supply thermo copper wire 2*4 mm
- Supply money counting machine.
