

THE CLARION

301 E. Church Street,
Headland, AL 36345

There's no better way to begin the week than gathering with God's People - the Church - to worship Him! After all, Sunday is the first day of the week. What we do on Sunday 'sets the tone' for the remainder of the week. Worshiping God on Sunday for Who He is and What He's done aligns our hearts and minds with Him. Worshiping Him today propels us to live His priorities and purposes Monday through Saturday. So...thank you for making this day of worship a priority. In addition, we encourage you to connect further with First Baptist Church by scanning the nearby QR code. There you will find opportunities to receive further information about the church, receive our weekly newsletter, submit a prayer request, and several other options. Most of all, we hope that you will know and experience the presence of the God Who loves you while you are here today. May God use the songs we sing, the prayers we pray, and the Bible we preach and teach to reach you with His grace, love, and forgiveness through Christ. Our church family looks forward to meeting and welcoming you personally.

Thanks again for joining us today,
Cecil Sanders
