Magazine Keeper Course Kalgoorlie

(1/2 day)
Monday 5th October 2026

Tower Hotel, Corner of Burke Street and Mariana Street Kalgoorlie 6430

Down To Earth has partnered with Blast It Global and has a commercial arrangement for Blast It Global to provide nationally accredited training utilising Down To Earth's scope of registration. Down To Earth is an RTO (Registered Training Organisation) accredited through ASQA (Australian Skills Quality Authority), which is nationally recognised, giving this training national recognition.

- RIIBLA205E Store, handle and transport explosives;

On completion of the theory training, provided over half a day, combined with workplace evidence performed under supervision and instruction by the Blast It Global Certificate IV Trainer and Assessor, the student on completion of all the training requirements will be issued with a Statement of Attainment from Down to Earth Training & Assessing RTO 51199 (RTO Partner). The Statement of Attainment will enable the student to demonstrate competency to a National VET level for Magazine Keeping.

Pre-requisites: To qualify for the training, the student must be able to provide the following evidence:

- Over 18 years of age (Copy of drivers licence);
- Dangerous Goods Security Card (DGSC) or Security Sensitive Ammonium Nitrate (SSAN) clearance;
- Unique Student Identifier number (USI);
- 3 months prior experience working with explosives.

All communications, bookings and inquiries will be via Blast It Global, contact details are on the last page.

The course may be attended by personnel employed in the quarrying, mining or construction industry, who are wishing to gain an insight into drilling and blasting practices. Personnel not wishing to gain the qualifications of Open Cut Shotfirers licence/permit, should select the "Require training for Drill & Blast General Knowledge (No qualification)" box.

Course Contents: The Magazine Keeper Course will combine classroom learning with workshops to develop skills, along with open book tests to assess students' understanding of topics, covered during the course.

- Introduction;
- Product familiarisation;
- Legislation, standards and Codes of Practice;
- Magazine Keeper General Requirements;
- Storage, transport, and handling of explosives;
- Conclusion

By successfully completing this course, the student will gain a fundamental understanding of the types of commercial explosives available and their properties, the safe storage, handling and transport of

explosives, and the required legislations and standards governing the transport, handling and storage of commercial explosives.

Course Cost:

Included in the one day course are; course notes, catering (morning/afternoon tea and lunch), coffee and tea, stationary, assessment of evidence, and issuing the certificate of attainment.

Magazine Keeper Course

\$750.00

GST Exclusive

Additional costs that may be required to attend the course may include, but not be limited to:

- Accommodation;
- Breakfast and evening meals;
- Parking;
- Transport to and from the venue.
-

All of the additional costs must be paid by the student or the company that the student is employed by. Blast It Global will not pay for, and is not responsible for any of the additional costs.

Payment:

Blast It Global will accept purchase order payment from current customers, on 30 days, date on invoice terms.

All other students must pay by Bank Deposit or credit card. Blast It Global payment details will be supplied on the completion of the "Expression of Interest" application form, through the issue of an invoice.

All payments must be completed prior to the student receiving the Statement of Attainment.

Non-attendance of the course after payment will result in a cancellation fee, which will cover the cost of the Registered Training Organisation (RTO) administration fee, booklet printing and the training venue cost, \$150.00 GST Exclusive, per student.

Training Compliance:

Blast It Global has partnered with Down to Earth Training & Assessing and has a commercial arrangement to provide nationally accredited training utilising Down to Earth Training & Assessing scope of registration. Down to Earth is an RTO (Registered Training Organisation) accredited through ASQA (Australian Skills Quality Authority), which is nationally recognised, giving this training national recognition.
