Support Shotfirer Operations Course Brisbane

Friday 31st of October 2025 (1 Day)

Geebung RSL
323 Newman Rd, Geebung, QLD 4034

Down To Earth has partnered with Blast It Global and has a commercial arrangement for Blast It Global to provide nationally accredited training utilising Down To Earth's scope of registration. Down To Earth is an RTO (Registered Training Organisation) accredited through ASQA (Australian Skills Quality Authority), which is nationally recognised, giving this training national recognition.

- RIIBLA201E Support Shotfiring Operations

On completion of the theory training, provided over one full day, combined with work place evidence, the student on completion of all the training requirements will be issued with a Statement of Attainment from Down to Earth Training & Assessing RTO 51199 (RTO Partner). The Statement of Attainment will enable the student to apply for the statutory Shotfirers licence in their relevant state or territory.

Pre-requisites: To qualify for the training, the student must be able to provide the following evidence:

- Over 18 years of age (Copy of drivers licence);
- Dangerous Goods Security Card (DGSC), QLD Explosives Security Clearance(ESC) or Security Sensitive Ammonium Nitrate (SSAN) clearance;
- Currently or recently a member of a blast crew or support role.

All communications, bookings and enquiries will be via Blast It Global, contact details on last page.

The course may be attended by personnel employed in the quarrying, mining or construction industry, who are wishing to gain an insight into drilling and blasting practices. Personnel on this course will take the first step towards completing their Open Cut Shotfirers licence/permit.

Course Contents: The Support Shotfiring Operations course will combine classroom learning with workshops to develop skills, along with open book tests to assess students understanding of topics, covered during the course.
