Support Shotfiring Operations and Magazine Keeper Course Moranbah

Monday 13th to Tuesday 14rd of April 2026 (2 Days)

Moranbah Community Workers Club
49-55 Mills Avenue, Moranbah, QLD 4744

Blast It Global has partnered with Down To Earth Training and Assessing and has a commercial arrangement for Blast It Global to provide nationally accredited training utilising Down To Earth's scope of registration. Down To Earth is an RTO (Registered Training Organisation) accredited through ASQA (Australian Skills Quality Authority), which is nationally recognised, giving this training national recognition.

- RIIBLA201E Support Shotfiring Operations;
- RIIBLA205E Store, Handle and Transport Explosives.

On completion of the theory training, provided over two days, one day designated for each qualification, combined with the completion of the theory and performance assessment requirements, a Statement of Attainment from Down to Earth Training & Assessing RTO 51199 (RTO Partner) will be issued. The Statement of Attainment will enable the student to continue their training towards statutory Shotfirers licence in their relevant state or territory.

Pre-requisites: To qualify for the training, the student must be able to provide the following evidence:

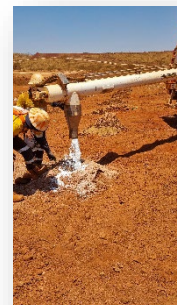

- Over 18 years of age (Copy of drivers licence);
- Dangerous Goods Security Card (DGSC) or Security Sensitive Ammonium Nitrate (SSAN) clearance, Explosives Security Clearance (QLD);
- Currently or recent employment in a blast crew or support role.

All communications, bookings and enquiries will be via Blast It Global, contact details on last page.

The course may be attended by personnel employed in the quarrying, mining, or construction industry who wish to gain an insight into drilling and blasting practices.

Course Contents: The combined RIIBLA201E and RIIBLA205E course combines classroom learning with workshops to develop skills, along with open book tests to assess students understanding of topics, covered during the course.

- Blasting Terms
- Bulk & Packaged Explosives
- Initiation systems
- Priming and Loading
- Conducting blast QA/QC
- On bench blast duties
- Magazine keeper duties
- Safety

RTO: 51199

By successfully completing this course, the student will gain a basic understanding of the types of commercial explosives available and their properties, the safe usage, and the required legislations and the requirements for quality assurance, quality control and management of explosives on the blast/bench and in the magazine.

Course Cost:

Included in the three day course are; course notes, catering (morning/afternoon tea and lunch), coffee and tea, stationary, assessment of evidence, and issuing the certificate of attainment.

Combined Support Shofirers and Magazine Keeper Course

\$1,550.00 GST Exclusive

Additional costs that may be required to attend the course may include, but not be limited to:

- Accommodation;
- Breakfast and evening meals;
- Parking;
- Transport to and from the venue.

All of the additional costs must be paid by the student or the company that the student is employed by. Blast It Global will not pay for, and is not responsible for any of the additional costs.

The course is limited to a maximum of 12 students.

Payment:

Blast It Global will accept purchase order payment from current customers, on 30 days, date on invoice terms.

All other students must pay by EFT, Company Purchase Order or Credit Card. Blast It Global payment details will be supplied on the completion of the theory course, through the issue of an invoice.

All payments must be completed prior to the student receiving the Statement of Attainment.

Non attendance of the course after payment will result in a cancellation fee, which will cover the cost of the Registered Training Organisation (RTO) administration fee, booklet printing and the training venue cost, \$300.00 GST Exclusive.

Training Compliance:

Blast It Global has partnered with Down to Earth Training & Assessing and has a commercial arrangement to provide nationally accredited training utilising Down to Earth Training & Assessing scope of registration. Down to Earth is an RTO (Registered Training Organisation) accredited through ASQA (Australian Skills Quality Authority), which is nationally recognised, giving this training national recognition.

All theory training will be conducted by a Blast It Global qualified Certificate IV Trainer and Assessor, with the Statement of Attainments being issued after successful completion of the theory and practical theory and performance assessment requirements by Down to Earth Training & Assessing.

Down to Earth Training & Assessing RTO ID: 51199
