Surface Shotfirers Refresher Course Kalgoorlie

Tuesday 16th April 2024 (1 Day)

Tower Hotel

Corner of Bourke and Maritana Streets, Kalgoorlie WA 6430

Down To Earth has partnered with Blast It Global and has a commercial arrangement for Blast It Global to provide nationally accredited training utilising Down To Earth's scope of registration. Down To Earth is an RTO (Registered Training Organisation) accredited through ASQA (Australian Skills Quality Authority), which is nationally recognised, giving this training national recognition.

- RIIBLA205D Store, handle and transport explosives;
- RIIBLA301D Conduct surface shotfiring operations;
- RIIBLA305D Conduct secondary blasting;
- RIIBLA402D Monitor and control the effects of blasting on the environment;

On completion of the Refresher theory training, provided over the period of 1 day, combined with work place evidence, the student on completion of all the training requirements will be issued with a Statement of Attainment from Down to Earth Training & Assessing RTO 51199 (RTO Partner). The Statement of Attainment will enable the student to apply for the statutory Shotfirers licence in their relevant state or territory.

Pre-requisites: To qualify for the training, the student must be able to provide the following evidence:

- Current Surface Shotfirers Licence;
- Dangerous Goods Security Card (DGSC) or Security Sensitive Ammonium Nitrate (SSAN) clearance;
- Able to provide current evidence of experience working with explosives.

All communications, bookings and enquiries will be via Blast It Global, contact details on last page.

Course Contents: The Open Cut Shotfirers course will combines classroom learning with workshops to develop skills, along with open book tests to assess students understanding of topics, covered during the course.

- Blasting Terms
- Geology & Blasting
- Bulk & Packaged Explosives
- Initiation systems
- Priming and Loading
- Flyrock control
- Blast environmentals
- Storage & transport
- Legislation and standards
- Explosives Safety

Down to Earth Training and Assessing

RTO: 51199

By successfully completing this course, the student will refresh their fundamental understanding of the types of commercial explosives available and their properties, the safe application of blasting techniques, and the required legislations and standards governing the transport, storage and use of commercial explosives.

Course Cost:

Included in the three day course are; course notes, catering (morning/afternoon tea and lunch), coffee and tea, stationary, assessment of evidence, and issuing the certificate of attainment.

Open Cut Shofires Course \$1,300.00 GST Exclusive

Additional costs that may be required to attend the course may include, but not be limited to:

- Accomodation;
- Breakfast and evening meals;
- Parking;
- Transport to and from the venue.

All of the additional costs must be paid by the student or the company that the student is employed by. Blast It Global will not pay for, and is not responsible for any of the additional costs.

The course is limited to a maximum of 12 students.

Payment:

Blast It Global will accept purchase order payment from current customers, on 30 days, date on invoice terms.

All other students must pay by Bank Deposit or Paypal*. Blast It Global payment details will be supplied on the completion of the "Expression of Interest" application form, through the issue of an invoice.

All payments must be completed prior to the student receiving the Statement of Attainment.

Non attendance of the course after payment will result in a cancellation fee, which will cover the cost of the Registered Training Organisation (RTO) administration fee, booklet printing and the training venue cost, \$550.00 GST Exclusive.

Training Compliance:

Blast It Global has partnered with Down to Earth Training & Assessing and has a commercial arrangement to provide nationally accredited training utilising Down to Earth Training & Assessing scope of registration. Down to Earth is an RTO (Registered Training Organisation) accredited through ASQA (Australian Skills Quality Authority), which is nationally recognised, giving this training national recognition.

All theory training will be conducted by a Blast It Global qualified Certificate IV Trainer and Assessor, with the Statement of Attainments being issued by Down to Earth Training & Assessing.
