Underground Shotfirers Course Kalgoorlie

Monday 04th to Wednesday 06th of December 2023 (3 Days)

Tower Hotel

Corner of Bourke and Maritana Streets, Kalgoorlie WA 6430

Down To Earth has partnered with Blast It Global and has a commercial arrangement for Blast It Global to provide nationally accredited training utilising Down To Earth's scope of registration. Down To Earth is an RTO (Registered Training Organisation) accredited through ASQA (Australian Skills Quality Authority), which is nationally recognised, giving this training national recognition.

- RIIBLA205E Store, Handle and Transport Explosives;
- RIIBLA303E Conduct Underground Development Shotfiring Operations;
- RIIBLA304E Conduct Underground Production Shotfiring Operations;
- RIIBLA305E Conduct Secondary Blasting.

On completion of the theory training, provided over the three days, combined with work place evidence, the student on completion of all the training requirements will be issued with a Statement of Attainment from Down to Earth Training & Assessing RTO 51199 (RTO Partner). The Statement of Attainment will enable the student to apply for the statutory Shotfirers licence in their relevant state or territory.

Pre-requisites: To qualify for the training, the student must be able to provide the following evidence:

- Over 18 years of age (Copy of drivers licence);
- Dangerous Goods Security Card (DGSC) or Security Sensitive Ammonium Nitrate (SSAN) clearance/ESC Card;
- 3 months prior experience working with explosives.

All communications, bookings and inquiries will be via Blast It Global, contact details are on last page.

The course may be attended by personnel employed in the underground metalliferous and construction industries, who are wishing to gain an insight into drilling and blasting practices. Personnel not wishing to gain the qualifications of a Underground Shotfirers licence/permit, should select "Require training for Drill & Blast General Knowledge (No qualification)" box.

Course Contents: The Underground Shotfirers course will combine classroom learning with workshops to develop skills, along with open-book tests to assess students' understanding of topics, covered during the course.

RTO: 51199

By successfully completing this course, the student will gain a fundamental understanding of the types of commercial explosives available and their properties, the safe application of blasting techniques, and the required legislations and standards governing the transport, storage and use of commercial explosives.

Course Cost:

Included in the three day course are; course notes, catering (morning/afternoon tea and lunch), coffee and tea, stationary, assessment of evidence, and issuing the certificate of attainment.

Underground Shofirers Course

\$2,575.00

GST Exclusive

Additional costs that may be required to attend the course may include, but not be limited to:

- Accommodation;
- Breakfast and evening meals;
- Parking;
- Transport to and from the venue.

All of the additional costs must be paid by the student or the company that the student is employed by. Blast It Global will not pay for, and is not responsible for any of the additional costs.

The course is limited to a maximum of 12 students.

Payment:

Blast It Global will accept purchase order payments from current customers, on 30 days, date on invoice terms.

All other students must pay by Bank Deposit or Paypal*. Blast It Global payment details will be supplied on the completion of the "Expression of Interest" application form, through the issue of an invoice.

All payments must be completed prior to the student receiving the Statement of Attainment.

Non-attendance of the course after payment will result in a cancellation fee, which will cover the cost of the Registered Training Organisation (RTO) administration fee, booklet printing and the training venue cost, \$550.00 GST Exclusive.

Training Compliance:

Blast It Global has partnered with Down to Earth Training & Assessing and has a commercial arrangement to provide nationally accredited training utilising Down to Earth Training & Assessing scope of registration. Down to Earth is an RTO (Registered Training Organisation) accredited through ASQA (Australian Skills Quality Authority), which is nationally recognised, giving this training national recognition.

All theory training will be conducted by a Blast It Global qualified Certificate IV Trainer and Assessor, with the Statement of Attainments being issued by Down to Earth Training & Assessing.
