# **(NDAPT) North Dakota Assoc. for Play Therapy**

## **Member Recognition Award**

Below are definition guidelines for identifying nominees:

### **Outstanding Member:**

An NDAPT member who consistently goes above and beyond in contributing to the success, culture, and mission of NDAPT and its members. Their efforts contribute to the elevation of the other members.

### **Emerging Leader**

An emerging leader is someone who demonstrates strong leadership potential and is beginning to take on influential roles within the organization. They may not yet hold a top leadership position, but their actions, mindset, and impact signal that they are on a trajectory toward greater leadership.

### **Outstanding Mentor**

A mentor who consistently demonstrates wisdom, empathy, and unwavering support. They inspire growth through insightful guidance, foster confidence by celebrating progress, and challenge mentees to reach their full potential. With a deep commitment to personal and professional development, they lead by example, listen with intention, and create a safe space for learning and exploration. Their impact is lasting, empowering others to thrive beyond the mentorship itself.
