Advanced Sports Supply Now Providing Full-Service Metal Fabrication Capabilities

JASPER, IN - May 28, 2026 — Corey Scherer, President and CEO of Advanced Sports Supply, is proud to announce the acquisition of Erny Sheet Metal, located at 1020 Second Ave., Jasper Indiana. Erny Sheet Metal is a custom metal manufacturing company that has been family-owned for 48 years. "Acquiring Erny Sheet Metal allows Advanced Sports Supply the ability to provide full-service metal fabrication capabilities, while delivering custom design and manufacturing solutions for our field maintenance and sports equipment product lines," says Scherer.

Headquartered in Jasper, Indiana, Advanced Sports Supply provides quality sports products and field equipment all over the world. At Advanced Sports Supply, their mission is to take pride in getting to know their customers personally. Building and sustaining relationships will always be at the forefront of what they do, while supplying top quality sports products.
