FIELD LINING KITS

MARK IT ONCE, AND YOU'RE DONE!

Our patented line marking equipment creates precise and professional markings on sports fields. Whether you're preparing for a game or maintaining your facility, these lining kits make it easy year after year!

MarkSmart™ Ground Socket Metal Finder

Have trouble finding your Ground Sockets after multiple mowings?

- Laser-cut metal washer slides onto Ground Sockets and fit precisely
- Use a metal detector or magnet to locate Ground Sockets
- Fits MarkSmart™ 8" Black or 12" White Ground Sockets
- Sold individually or as a pack of 12

Ground Socket Metal Finder	Model #	Shipping L x W x H			lbs.
Each	#GS-FINDER
