

Had enough of this administration? It's time to fight back.

Trump and his allies are working to **strip away our rights and dismantle democracy**—and we can't afford to sit on the sidelines. You registered as a Democrat in 2022, 2023, or 2024 because you care. **Now, it's time to act by volunteering with Wissahickon Democrats.**

Step 1: Mark Your Calendars.

 Reach out to info@wissahickondems.com to join us at our next meeting:
 **Thursday, April 10th @ 7 PM**

Elections aren't won by watching from the sidelines—they're won by people like you who step up and take action. As a volunteer, you'll play a direct role in protecting democracy and ensuring Democratic victories in 2025.

- ✓ **Knock on doors, make calls, and send postcards** to help turn out the vote.
- ✓ Mobilize Democratic voters ahead of the **May 20th Primary** and make every vote count.
- ✓ Meet like-minded neighbors and be part of a movement building real power in Ambler, Lower Gwynedd, and Whitpain.

Step 2: Take Action Today.

Can't wait until April 10th? Get involved today:

-  **Sign up to volunteer** – Email info@wissahickondems.com
-  **Check your voter registration & apply for a mail-in ballot** – Visit vote.pa.gov.
-  **Defend democracy at the “Hands Off” Rally in Philly on April 5th** – Sign up by typing this into your browser: <https://www.mobilize.us/handsoff/event/764183/>

This election will be won by **those who show up and take action.** Will you be one of them?

Step 3: Bring a Friend. Grow the Movement.

Winning in 2025 starts with **you—but it doesn't end there.** The more people we mobilize, the stronger our movement becomes.

-  **Invite a friend, neighbor, or family member to join you on April 10th.**
-  **Spread the word about volunteering with Wissahickon Democrats.**
-  **Help expand our grassroots efforts—every conversation counts.**

 Let's fight—and win—together. See you on April 10th!
