

CHARGE UP YOUR FUTURE: THE AMPED MFG CAREER SUMMIT

**MFG
CAREER
SUMMIT**
MAY 12-14, 2021

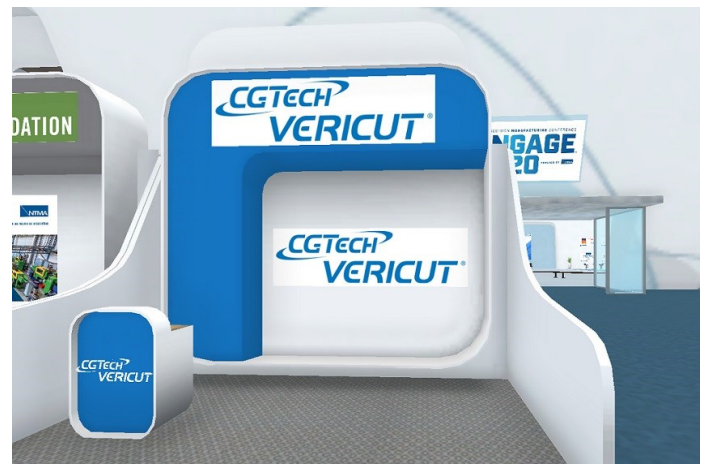

Sponsorship & Exhibit Information

CHARGE UP YOUR FUTURE: The AMPED MFG Career Summit, will bring students, parents and teachers into an interactive Virtual World to discover careers in manufacturing. With the advance interest that has been shown and the partnerships currently being cultivated, we are expecting more than 1,000 people to attend the first of what we anticipate will become an annual event.

We are excited to offer exhibit and sponsorship opportunities at the MFG Career Summit. With promotion support from industry, manufacturing associations, workforce development organizations, educational institutions, and other stakeholders, we expect a strong national showing at this event!

Your support offers opportunities to:

- Showcase your brand to students and their influencers (parents and educators)
- Influence educational and career pathways for interested youth
- Spotlight the breadth of manufacturing careers and the benefits of the work

For the past year, exhibiting and sponsoring virtual conferences has been the norm. We are eager to help you learn how our virtual world will provide the best interactive and immersive experience of all and why your support of the MFG Career Summit is essential.
