J. Craig McAtee  
Executive Director  
National Coalition of Advanced Technology Centers

Dear Mr. McAtee:

Monroe Community College supports the nomination of Dr. Todd Oldham, Vice President for Workforce and Economic Development and Career and Technical Education, for the National Coalition of Advanced Technology Centers Board of Directors. I understand that Dr. Oldham's term of service will run from January 1, 2020 through December 31, 2023. MCC commits the resources required to assure his full participation as a Director, including travel to three NCATC meetings annually.

Dr. Oldham's work at MCC has been transformational for our college, our region, and our state. We are proud of his accomplishments and pleased that his innovative efforts are being recognized nationally by this nomination.

Should you have any questions or wish further information, please do not hesitate to contact me.

Sincerely,

Anne M. Kress
