July 1, 2022

Dear Mrs. Tarra Gundrum,

On behalf of the board of directors for Kewaskum Remembers 9/11, Inc., the 501(c)3 nonprofit responsible for the operation and maintenance of the Wisconsin 9/11 Memorial & Education Center, we are both honored and humbled by your decision to dedicate your upcoming ride to supporting the Memorial.

The Memorial was built thanks to the generosity of hundreds of people in the community who believed in our mission of building and sustaining a memorial to remember the victims, honor those who responded, celebrate the resilience of our communities and country, and educate future generations about the attacks on our nation on September 11th, 2001. It was thanks to the support of people like you who believed in our mission and were willing to dedicate countless hours of their time, sweat, and resources, that we were able to complete the construction of the Memorial.

In June of 2021, after many years of planning, fundraising, and building, the Memorial was finally opened to the public. Every day, families, students, residents, senior citizens and people from all over Wisconsin visit the Memorial to reflect on the events of that day and educate those to ensure an act of terror like this does not happen again.

Now that the Memorial is open, our focus is now on spreading education and awareness to public, private, and home school organizations, as well as to retirement and assisted living facilities throughout the state of Wisconsin. Funds raised from your generous support will be used for the printing and postage of lesson plan materials that we will send to schools at the start of the 2022-2023 school year.

Again, thank you for your unbelievable support and this tremendous undertaking. We are looking forward to cheering you on and helping to raise awareness of your ride!

With much gratitude,

Fuzz Martin  
President, Board of Directors  
Kewaskum Remembers 9/11, Inc.
