

What should my child wear for swimming lessons?

A guide to our reusable neoprene swim nappies that protect against faecal leaks.

Happy Nappy™

The Happy Nappy™ can be worn alone or paired with our range of under-nappies to form a Double Layer Nappy System, which is recommended by Swim Schools for your child's swimming lesson.

Happy Nappy Duo™

The Happy Nappy Duo™ is the only baby swim nappy with an inner layer lined with silver, scientifically proven to kill germs that cause tummy bugs. No under-nappies needed as the Happy Nappy Duo™ is your Double Layer System all in one.
