

It is the policy of Icahn School of Medicine at Mount Sinai (ISMMS) to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-accredited educational activities. All faculty participating in the planning or implementation of an activity accredited by ISMMS are expected to disclose all of their financial relationships with ineligible companies existing within the prior 24 months.

All relevant financial relationships have been mitigated and disclosed to learners before the activity takes place.

Presenters must also make a meaningful disclosure to the audience of their discussion of unlabeled or unapproved drugs or devices. This information will be available as part of the course material.

Please find below the compiled information we have received on disclosure of relevant financial relationships from activity faculty and planners.

PROGRAM DIRECTORS MOUNT SINAI	
Ash Tewari, MBBS, MCh	<i>No Relevant Financial Relationships to Disclose</i>
Ketan K. Badani, MD, FRCS (Hon.)	<i>No Relevant Financial Relationships to Disclose</i>
