

# MARTHA'S

We are very excited to announce that we are now open for dine in seating & patio service! Curbside takeout will also still be offered for curbside pick up & door dash delivery. We are excited to welcome you back and we can't thank you enough for your loyal support during these unprecedented times! As we open for dine in service, the safety of our staff, guests & community will remain our highest priority! We will be taking every precaution to ensure health & safety. Our team will be ready & trained on all safety measures. We are following ALL State & County Public Health guidelines. **As you arrive, you will notice many changes including these enhanced safety procedures:**

## **Dine In/Patio Dining/Tables:**

- Social Distancing: Seating arranged to allow 6 ft distance between tables & guests
- Table settings have been eliminated (salt & pepper, condiments, sugars, creamers).
- Silverware will arrive in a roll up linen napkin
- At this time, we will not pour any beverages at the table. All beverages will be served in fresh glass/mug.
- If you would like to take any food home, we will provide you with containers and bags. Unfortunately, at this time we cannot box up to go food
- If you would like to place your full order upon seating to minimize contact with your server, please ask at the beginning of your meal. QR Code menu is available.

## **What we ask of YOU : Help us protect our employees & guests:**

- Seating capacities are limited. (60% capacity, max 6 per table, (3 households, outdoor dining) (1 household, indoor dining)
- We kindly ask that you please wear your mask upon arrival, departure, and use of the restrooms, until your food is served, after meal is complete & any time your server is approaching the table.
- Please refrain from touching your nose, eyes & mouth while seated
- Please maintain social distancing (at least 6 feet) upon arrival and throughout the restaurant. Please refrain from contact with guests & staff. Markings are placed on the sidewalk outside and throughout the restaurant.
- We ask that guests do not congregate at other tables or around the restaurant or along sidewalk
- Please wait outside on the sidewalk until your table is ready. Please wear mask & social distancing
- Guest health screenings: We kindly ask if you have a fever, chills, cough, muscle pains, headache, flu-like symptoms or think you may have been exposed to COVID-19, please cancel your reservation. We would be happy to reschedule reservations.

## **Cleaning & Sanitizing:**

- Restaurant is cleaned & sanitized entirely at the start & end of each day with constant sanitizing throughout our entire location daily with extra attention to high traffic areas & restrooms
- Touchless sanitizer stations have been added to these areas sidewalk for both employees & guests to use
- Our staff is aware that all areas of the restaurant, guest tables, and chairs need to be properly sanitized often & once guests leave to prepare for new guests to arrive.
- Menu covers will be disinfected & wiped after each guest use, QR code menu is available

## **Staff Safety:**

- All employees will undergo daily temperature and wellness checks upon arrival
- Our team will be wearing face coverings, gloves & plastic shields while serving guests, as well as washing hands
- All staff understand and have agreed to the importance of NOT coming to work if they are feeling ill or exposed to anyone feeling ill
- They have agreed to all safety measures and precautions
