

Charitable Giving & Community Donations

At The Modern Butcher, we're proud to support the people and organizations that make our community a better place to live and work. We do our best to honor donation requests from qualified nonprofit groups and local events whenever possible.

Before submitting a request, please make sure your organization meets the following criteria:

- Your group or event is nonprofit and charitable in nature.
- Your mission supports the health, education, or overall wellbeing of our community.
- Your event is non-political and non-partisan.

Requests for sponsorships, monetary contributions, or larger collaborations are reviewed individually and may depend on timing, available resources, and community impact.

To submit a request, please email themodernbutchershop@gmail.com (Subject: DONATION) with details about your organization, event date, and donation preference. We do our best to reply within five business days. Last minute requests will not be reviewed and we do advise at least a two-week lead time in requesting donations.

We are incredibly thankful for the support we receive from our community, and we strive to give back in meaningful ways. While our resources aren't unlimited, we do our best to share what we can and make a positive impact whenever possible.

Lisa, Warren, & Team Modern Butcher
