100 PROJECTS
THROUGHOUT VIC,”

WHO WE ARE

Rooted in the heart of Victoria, safety is our foremost priority. With a steadfast commitment to excellence, we adhere to all state safety requirements, ensuring that every operation meets or exceeds regulatory standards.

Our technicians hold prestigious IRATA (Industrial Rope Access Trade Association) or SPRAT (Society of Professional Rope Access Technicians) certifications, internationally recognized benchmarks for the highest standards in risk activities and work at heights.

Our certifications in painting, caulking, and structural repairs signify commitments, not just qualifications. When you choose SRA, you're selecting a team of dedicated professionals committed to delivering your projects with precision and quality.
