

## Foundation

Marriage Matters believes in **uplifting and empowering** couples in their marriages. Marriage Matters is a workshop designed to challenge couples to think intentionally about their marriage. We study our natural, God-given behaviors in a fun and loving way.

*Matthew 19:6 "So they are no longer two, but one flesh. Therefore, what God has joined together, let no one separate."*

## Table Talk Video Podcast

Each month, we will invite everyday people to join us for a short uplifting and empowering conversation about life. These discussions are called "Table Talk".

The TABLE is intended to represent an intentional place where families come together to pause from all of the interruptions and distractions life throws our way.

Workshops are designed for men and women of all ages.

There are two workshops available.

1. Newlyweds or Engaged Couples (exclusive)
2. For all stages of marriages

*Ephesians 6:12-13*

*"For we are not fighting against flesh and blood enemies, but against evil rulers and authorities of the unseen world, against mighty powers in this dark world, and against evil spirits in the heavenly places. Therefore, put on every piece of God's armor so you will be able to resist the enemy in the time of evil. Then after the battle you will still be standing firm."*

Marriage Matters workshops are intended to be:

**FUN, INTERACTIVE, GOD-CENTERED**

## 3 Components of Marriage Matters Workshops

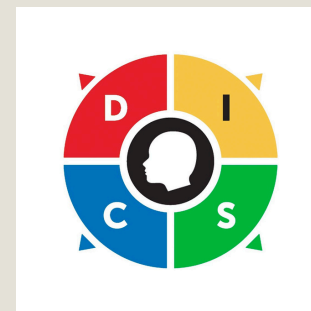

1. The biblical purpose for marriage and how the world's view dramatically differs on this subject. We will also discuss and develop family **CORE VALUES** that guide families in their journey of life.
2. Highlight individual God-given behavior styles and how they relate to marriage and the family. This fun and interactive session enlightens people to a brand-new understanding of communication styles that can be implemented immediately.
3. Provide a real snapshot of the impact a hurried lifestyle has on marriage and the family. We believe we must be intentional about slowing down.

Marriage Matters uses **simple and practical** examples that will immediately relate to life and family. Attendees may even find some of the stories humorous, relatable, and memorable.

The Newlywed and engaged workshop incorporates the SYMBIS assessment. This tool personalizes their relationship and provides a roadmap for their marriage. This tool is biblically based and has years of research providing a clear objective to a Godly marriage.

## DISC

We utilize the DISC concepts at our workshops. This DISC assessment is a phenomenal tool that identifies similarities and differences in behavior that directly impact relationships. DISC is used to inspire and encourage couples to blend with how God uniquely designed us for His purpose.
