COMMITTED to SERVICE and EXCELLENCE

NETARTS-OCEANSIDE RURAL FIRE PROTECTION DISTRICT

and

Netarts-Oceanside Volunteer Firefighters Association

WELCOME!!

Thank you for your interest in the Netarts-Oceanside Fire and Rescue Department.

We hope you will be willing to join - and will be proud to serve with us.

We have a great organization, with great people like yourself.

INTRODUCTION:

Netarts-Oceanside Rural Fire Protection District covers an area of approximately (14) square miles, and was formed in November 1948. We provide a full range of emergency services, including Fire Suppression, Emergency Medical Response, as well as Water Rescue and High Angle Rescue Teams.

REQUIREMENTS of MEMBERS:

1. Members are expected to abide by all policies, rules, and regulations set forth by the district and the volunteer association.
2. New members will be required to attend an orientation class, as made available by the district.
3. Members are expected to attend an average of two (2) drills/meetings per month.

Persons are considered probationary members for three (3) months (90 days) after being accepted by a Fire Department. They must attend a minimum of two (2) meetings/drills per month during this phase to be eligible for active membership status.

All probationary members are at will and can be terminated at any time during probation.

Active members may ask to be placed on reserve status for reasons of employment, illness, injury, or any other valid reason when the member is not able to fulfill his/her duties as an active member. Member can be on active reserve for six (6) months, then placed on inactive reserve status.

MEMBERSHIP:

- Persons 16 years of age or older, living, or regularly employed in the immediate area of the fire district may apply.
- Certain insurance restrictions are placed on members under age 18.
- Must possess a valid Oregon driver's license to operate district vehicles.
- All firefighters must take a physical agility test.
- All members must read and complete the volunteer application packet.

FIRE CADET members (ages 16-18) have all the rights and privileges of active members, but are not allowed to perform the following activities:

- Drive apparatus
- Operate power saws
- Interior attack on hostile fires
- Roof operations on hostile fires
- Carry pagers during school
- Respond to alarms during school hours unless requested by the fire district.

Firefighters and Support personnel must be eighteen (18) years of age or more.

ALL MEMBERS must be in good physical condition and capable of performing required assignments.

TRAINING:

State laws, as well as district policies, require certain minimum training levels for fire fighters.

All fire fighters, including EMS Responders, Water Rescue Team Members and Rope Rescue Team Members, must be trained to Oregon Department of Public Safety Standards and Training (DPSST) Entry Level Firefighter. They must also complete the Operations level of Hazardous Materials training. Both programs will be offered at first opportunity.

The Entry Level Firefighter training requirement must be met to:

- Drive apparatus
- Operate power saws
- Interior attacks on hostile fires
- Roof operations on hostile fires

Medical training and CPR certification are also required for membership.

PERSONNEL UTILIZATION:

Support Personnel:

Although not directly engaged in fire fighting activities, support operations are vital to the successful outcome of many emergency scenes, as fire fighting and other emergency operations are very labor-intensive.

Adequate numbers of support personnel make or break many emergency scenes, as they provide breathing air to fire fighting crews, furnish electric lighting, vehicle maintenance, station maintenance, and many other tasks just as important as actually fighting the fire.

Non-emergency skills, such as journalism ability, knowledge of photography, teaching ability (for public education classes), and a willingness to investigate fire cause are also important to the Fire District's mission.

Para Military Structure:

An emergency cannot be handled with committee action. Therefore, a rank structure exists to control operations and decisions. Members must be willing to work within this structure to provide for orderly and safe operations.

While teamwork is vitally important to our mission, we are also looking for people who can become leaders. With training and experience, you could become a Fire Officer, or supervise a program. Our needs, as well as the personal challenges, are endless.

SAFETY:

Fire Fighting is dangerous work, and this Fire District has taken a pro-active stance on Fire Fighter Safety. We expect you to follow established rules and safety procedures. Additionally, we encourage members to submit suggestions to improve safety in any/all aspects of our operation.

Training, skills practice, and adherence to rules are vital to the safe handling of each and every emergency.

BENEFITS:

- Learn new skills
- Serve your community
- Challenge yourself
- Satisfaction for a job well done
- Community's respect and appreciation
- Be a member of a dedicated team
- Pathway to a new career
- Injury/Disability insurance
- Reimbursement for authorized training:
 - First Responder Class
 - *EMT Basic
 - Approved conferences
- State accredited training
- Professional development
- Program responsibility

* As per current District Policies

CONDUCT

Due to the nature of the job and the accessibility we are granted to enter into people's homes and business, all members of the Netarts-Oceanside Rural Fire Protection District will be held to a strict standard of conduct. All members will adhere to all state and federal laws. All members will conduct themselves professionally, and as a representative of the Fire District both on and off duty. Violation of any District policy or act of misconduct will result in immediate suspension and/or termination by the Fire Chief.

CONCLUSION:

Netarts-Oceanside Rural Fire Protection District has two (2) very important demands of all its members:

- 1) You must be honest at all times
- 2) You must be loyal to our great organization.

We look forward to working with you!!

PHYSICAL AGILITY TESTING

To insure that firefighters employed by the Netarts-Oceanside Rural Fire Protection District are capable of executing all of the rigorous duties that may be involved in the performance of their job, the District has established a program of pre-employment agility testing. Each prospective employee including volunteers will be required to successfully complete this testing prior to becoming a member of the department.

Prior to undertaking this physical agility test, the district advises that you, the candidate, will have a pretest physical examination performed at Coastal Health Center, 216 Cedar Ave. Tillamook. The cost of this physical examination will be covered by the Fire District.

"WAIVER-HOLD HARMLESS" STATEMENT

I, _____, having been advised by the Netarts-Oceanside Rural Fire Protection District to undergo a physical examination by a physician of my choice, prior to participating in this physical agility test, am declining to do so. I further state that I will hold harmless the Netarts-Oceanside Rural Fire Protection District and its employees and/or volunteers regarding any and all possible liabilities incurred by myself due to my failure to undergo this physical examination.
