To Transfer lambs at the time of registration, fill out the NAWSA registration form for each lamb. Fill out this form with the information on the new owner.

There is a fee of \$2 per lamb to do the transfer along with the regular registration fee of \$5 for animals under 9 months, and \$10 for animals up to 24 months of age.

*Note: After registration you can transfer ownership by following the directions on the back of the original registration papers and mailing to GLM Registry

Breeder's Signature: _____

I certify this information to be accurate and that the ownership of these animals were transferred to new owners on the date indicated.
