Boron (B)	0.30%
Organic Matter	Present
Vitamins	Present

MICROMAX™ is a premium liquid micronutrient fertilizer formulated to rapidly correct and prevent micronutrient deficiencies in a wide range of crops. This balanced blend of iron, manganese, zinc, copper, and boron delivers essential trace elements required for chlorophyll production, enzyme activation, cell division, and reproductive development.

MICROMAX™ is ideal for use during active growth, stress periods, and visible deficiency conditions.
