Hello Mr./Mrs. **John Doe**,

It has come to our attention that your **2020, Ford Mustang** with **VIN ID: 2HGFC4B0XJH30XXXX4** has exceeded or may exceed the allowed mileage on your lease agreement when your lease term ends. The last odometer reading made from **ABC Service Department** on your vehicle was on **05/3/2022 3:17:00 PM**. Which indicates that you accumulated **39,263 miles**. You are either over the allowed mileage on your lease or may go over the allowed mileage on your vehicle when your lease expires. You may be subjected to paying over mileage penalty when you return your lease to Honda at the end of your lease term. **The penalty can cost you hundreds or even thousands of dollars depending on the miles you are over and the cost per mile on your lease contract.** I would like to extend my hand to you and help explore your options to minimize the penalty on your current lease. Please call me immediately @ **951-764-XXXX** to find out what your options are and to prevent further penalties from accruing.

***** TAKE STEPS BELOW! *****

Sincerely,
Lawrence Garcia
