

KEEPING KIDS INVOLVED IN DEVELOPMENTAL SPORTS SCHOLARSHIP PROGRAM and APPLICATION

Keeping Kids Involved in Developmental Sports (KKIDS) scholarship program focuses on providing opportunities for local youth to participate in developmental sports, because we believe in creating an equal playing field for all kids. KKIDS may grant registration fee scholarships to local youth who without this financial assistance would not be able to participate in a community sports program. Scholarships are only available to cover the cost of registration and are not available to cover any additional costs (gear, equipment, tournaments, tournament uniforms, etc.). Scholarships for camps are not available at this time.

Scholarship requests must be submitted to KKIDS thirty (30) days in advance of any program's registration deadline. Community sports programs have different registration deadlines, so please make sure you check with the sport coordinator/team and plan accordingly. Scholarships will be awarded, and the athlete will be notified upon acceptance of their application, no later than one (1) week prior to the applicable registration deadline. Applications will be reviewed by the KKIDS President and two (2) Board members. We will consider all complete applications received by the application deadline. The amount of the scholarship awarded (if any) may be a partial or full scholarship depending on the number of applicants, and the amount of scholarship funds available. Families may apply once per season, per child. A season is considered a three-month time period. You are eligible to reapply every 3 months per child. Every child for whom you are requesting funds will need their own application.

KKIDS is a non-profit organization with a limited amount of funding from season to season. The maximum scholarship award is \$150, with limited exception. No guarantee of assistance is implied in the application.

Eligibility Requirements:

- Application must be completed by a parent, guardian, or head of household, with all requested information provided. Incomplete applications will not be considered. The application is on page 3.
