

# April 22-24, 2026

**Potawatomi Inn Resort  
Angola, Indiana**

## Who We Are:

The North Central Region is home to an incredible network of women who embody NAWIC's core purpose—to strengthen and amplify the success of women in the construction industry. Across our chapters in Indiana, Kentucky, Michigan, Ohio, Western Pennsylvania, and West Virginia, you'll find a welcoming community grounded in trust, respect, and collaboration.

In 2026, Toledo Chapter 282 and Lima/Fort Wayne Chapter 374 are co-hosting the Spring Forum in Angola, Indiana.

## Spring Forum:

The spring forum brings together members from across our six states to exchange ideas, strengthen professional networks, and gain new inspiration for their careers.

Each event features dynamic speakers, engaging workshops, and meaningful discussions designed to support both personal and professional development.
