Cookie Policy

Scam Awareness & Fraud Education CIC
(Trading as "S.A.F.E.")

Last Updated: 16/05/2025

---

1. Introduction

Scam Awareness & Fraud Education CIC, trading as S.A.F.E. ("we," "us," "our"), uses cookies and similar technologies to improve your experience on our website, **becomecybersafe.org**. This Cookie Policy explains what cookies are, how we use them, and how you can manage your preferences.

---

2. What Are Cookies?

Cookies are small text files that are placed on your device when you visit a website. They help us to:

- Enhance your user experience
- Understand how you use our site
- Improve website functionality

---

3. Types of Cookies We Use

We may use the following types of cookies:

- **Essential Cookies** – Required for the operation of our website (e.g., login authentication, security).
- **Analytics Cookies** – Help us understand how visitors interact with our site, allowing us to improve functionality and performance.
- **Preference Cookies** – Store your preferences to provide a more personalized experience.
- **Third-Party Cookies** – These may be set by external services (e.g., PayPal, Google Analytics) when integrated into our site.

---

4. Managing Your Cookie Preferences

You can manage your cookie preferences through:

- **Browser Settings:** You can block or delete cookies through your browser settings.
- **Cookie Consent Banner:** When you visit our site, you will be prompted to accept or reject cookies. You can change your preferences at any time.

5. Third-Party Cookies

Some of our service providers may use their own cookies. These third-party cookies are managed by their respective privacy policies.

6. Updates to This Policy

We may update this Cookie Policy from time to time. All changes will be reflected on this page with an updated "Last Updated" date.

7. Contact Us

If you have any questions about our Cookie Policy, please contact us at: gdpr@becomecybersafe.org
