## Associate Membership Application Form –2021

Until we are able to open our new range for shooting we will be offering a much reduced “Associate” membership to our loyal members whose continued support to our club is very much appreciated. This will allow members to maintain provincial and national memberships and be covered by the insurance policy supplied to our members through Archery Canada so that they are able to aid the club in the construction phase of our new range. Members wishing to add ABA to their membership should add this affiliation to the overall fee.

**At such time as our new range can be opened for shooting, membership fees will be adjusted accordingly. Current members will be given notice, and can choose to either remain as a social member without shooting access or pay the difference to become full shooting members.**

Volunteer Hours/Work Parties: We are looking forward to working again with our members at the new location, NW of Calgary.

Volunteer hours from work parties held in 2015 - 2019 will be credited against full membership once the shooting range becomes open to membership.

### At this time Associate Membership will be as follows;

**Juniors – Under 17 (as of Jan 1<sup>st</sup>) – \$45.00**

**Seniors – 18 and over – \$60.00**

**Family\* - \$140.00**

\*A Family Membership will consist of 3 or more members of the immediate family, 1 – 2 parents and children under 18)

### ABA affiliation is in addition to the Calgary Archers Club fees

**Jr. \$21.00, Sr. \$26.00, and Family \$60.00**

#### PROVINCIAL ARCHERY AFFILIATIONS:

The Calgary Archers Club (CAC) basic membership includes an Alberta Target Archers Association (ATAA) affiliation within the membership fee. **ATAA membership is a requirement for all members of the Calgary Archers Club.**
