Kitchen in Zenit Gris Perla and Tortora.

ALVIC USA invites you to discover its latest offerings of designs, finishes and colors that are the result of the careful work of our design and innovation department at Grupo ALVIC Spain. Our goal with our vast ALVIC USA stock program is to present innovative, inspirational, and functional designs, the great majority of which are made in the USA, to help make your spaces look amazing. With our new Global Collection, we also aim to bring you an additional, enhanced offering that's ahead of the trends in an easy to use program.

Our finish technologies in Luxe high gloss lacquer, Zénit supermatt lacquer, and Synchron texture are available in a variety of panels and components as indicated in the following pages. They are perfect for application in many types of furniture, cabinetry, and interior decoration projects in residential and commercial spaces alike.

Now, let's have inspiration set the mood, as we welcome you to start exploring and experiencing our design collections.

INSPIRATION

Combining three distinct designs feels effortless and fresh in this nature-inspired space that utilizes warm, grounding woodgrain and stone patterns accented with sky blue.

Kitchen in Zénit Nuvola 3, Synchron Reeded Sky, and Picasso 2.

INSPIRATION

A classic combination of white & woodgrains creates a contemporary oasis. Featuring Shaker profiles in Zenit Blanco and Sincron Nocce 3. Hood cladding accent in Luxe Cuzco Royal Gold.

Kitchen in Zénit Blanco and Sincron Nocce 3.

INSPIRATION

Bathroom in Zenit Cotto, Tierra Onyx, and Synchron Reeded Petal.

Welcoming, warm, and sophisticated, this bathroom creates bold harmony with Zenit Cotto and Tierra Onyx. Wall paneling accent in Synchron Reeded Petal.

INSPIRATION

Fresh and energizing, this heart of the home kitchen is a harmony of three distinct Synchron textures.

Kitchen in Synchron Siena, Reeded Petal, and Picasso 2 .

INSPIRATION

Bold sophistication is created in a luxury kitchen combining stand-out woodgrain Olivo in Luxe high gloss and Synchron Olmo 3. The contrast in finish and character of these wood designs creates a unique and captivating environment.

Kitchen in Luxe Olivo and Synchron Olmo 3.

Pantry in Zenit Blanco, Black, and Synchron Woodline 3.

INSPIRATION

The crisp, moody palette of this pantry artfully color-blocks Zenit Blanco and Black with dark, linear textured Woodline 3.

INSPIRATION

This on-trend kitchen introduces a colorful element into a white and woodgrain palette. Zenit Azul Marino and Blanco provide a clean, smooth counterpoint to a space featuring whimsical tile patterns and the tactile texture of Sincron Nocce 1.

Kitchen in Sincron Nocce 1 with Zenit in Azul Marino and Blanco.

Education space in Synchron Blue Fresco Minerva, Blanco Polar Minerva, and Zénit Azul Marino.

INSPIRATION

Make a statement in texture and color!
This contemporary bookcase perfectly
pairs form and function in an education
or home environment.

INSPIRATION

Black matte has become an undeniable design classic! Accented with two alluring abstracts, this kitchen brings sophistication with just the right touch of vibrancy.

Kitchen in Zenit Black with Luxe Cuzco Oro and Nuvola 1.

Luxe Azul Indigo featured in ALVIC Showroom "Hermosilla 77", Madrid.

High Gloss with a Mirror Effect

The LUXE finish collection features luminous high gloss with a mirror effect and enhanced durability. A quality engineered core (MDF) serves as the substrate for pressed decorative paper impregnated with resins and additives that have been formulated to create the ultimate high gloss finish. A lacquer layer with UV treatment is applied last adding to the durability and surface quality.

High Gloss Lacquered Surface

High Scratch Resistance

Reliable performance and longevity in high traffic residential and commercial environments

Stain Resistant

Designed for daily use, resistant to many types of food stains

Easy to Clean

Cleans easily with a microfiber cloth, soap, and water

Lasting Durability

Quality and durable surface that will perform and last in high traffic environments

Highly Reflective

LUXE technology offers extraordinary beauty with mirror-level reflectivity and shine

Antibacterial Treatment

Protective shield on the surface that prevents the spread of harmful microorganisms

Color Stability

Colors will maintain their tone over time and with exposure to indoor light and sunlight

Ecologically Responsible

Products are made with certified raw materials from sustainable forestry practices

Sustainable Panels and Furniture Components

From start to finish, our business, products, and vision are all centered on sustainability. The boards (product core) we use are composed of wood fiber or particles that come from certified forest stewardship processes as well as recycled materials. Our processes of continuous improvement have also made our products maintenance-free and resistant to wear over time, increasing their lifecycle and reducing the waste of replacing, maintaining, and rebuilding.

Learn more about our sustainability practices and initiatives online!

Your Source for Full of Solutions

Our designs in Luxe, Zénit, and Synchron are available in panels as well as made to order doors in three profiles. Matching edgebanding and a growing library of laminates (*coming soon!*) are also available to help you complete projects from one quality source.

Our wide catalog of designs has been created with a Collections mentality assuring a great variety of possible combinations and configurations for architects, designers, and interior design professionals to become inspired and create.
