

SolarRoyal SR1800 Series

Specification Sheet

- Solar Panel:**

35Watt High-efficient monocrystalline,
20.6 Volt, 1.7 Amp., impact resistance: 21mm
at 51mph (23mps), [w/ Remote Panel = 65Watt]

- Motor:**

Brushless 6-24VDC, proprietary, high-performance,
optimized, direct current (DC) motor.

- Fan Blade:**

12-inch/5-blade 'TurboProp' custom-styled nylon/polymetric blade.

- Performance:**

35Watt: Up-to 2955 sq.ft and ventilation, capacity up-to 1825 CFMs, sones \approx .5 - 2.8
65Watt: Up-to 3555 sq.ft and ventilation, capacity up-to 2280 CFMs, sones \approx .5 - 3.5

- Housing:**

Upper: automotive grade ABS, high impact composite material, UV stabilizer with embedded fire retardant resin.

Base: System double-locks into upper housing. Solid one-piece aluminum (6061) base for easier installation & maintenance.

- Model Info:**

	35Watt	65Watt
Model #:	SR1810	SR1865
Part Nr.:	SRSF35W10	SRSF65W10
UPC:	638142929530	(+30W Remote
EAN:	0638142929530	Solar Panel Kit)

- Unit Dimensions:**

Unit Size/Weight: 24" x 24" x 7" / 26 Lbs
Unit Box Size: 28" x 28" x 11" / 30 Lbs

- Lifetime Warranty Upgrade*:**

Available online. (registered residential)

- Residential & Commercial (15 yr*)**

Motor, solar panel and housing.
